best throwing arms in baseball history: The National Pastime: A Review of Baseball History Edited by John Thorn, 2014-12 Back in 1982, the Society for American Baseball Research was still young, barely a decade past its founding, and had grown to some 1600 members. One of their number, a defrocked English Lit guy poking around in journalism, suggested to the board of directors that SABR, and the world, might benefit from a publication along the lines of American Heritage, only about baseball. Before long that member, John Thorn, found himself at the helm of the newly christened periodical, The National Pastime: A Review of Baseball History. The very first issue included names we think of today as luminaries in the field of baseball history and analysis: Harold Seymour, Lawrence S. Ritter, Pete Palmer, David Voigt, Bob Broeg, and more. Over the years the significance of that flagship issue has only grown, while the inventory has dwindled. SABR is pleased to present a replica edition here, with the addition of a new preface by John Thorn, now the official historian of Major League Baseball. This issue includes: Nate Colbert's Unknown RBI Record by Bob Carroll Nineteenth-Century Baseball Deserves Equal Time by Art Ahrens Dandy at Third: Ray Dandridge by John B. It was about Ken Griffey Jr., Lou Piniella, Buck Showalter, Gene Michael, Jim Leyritz, Randy Johnson, Wade Boggs, Tony Fernandez, Pat Kelly, Dion James, Darryl Strawberry and many others who changed the course of baseball history . . . A team playing to keep baseball alive in the Pacific Northwest A manager who was literally managing for his job A New York sports icon who for one week reminded everybody of the dominating player he had been a decade earlier Chris Donnelly's replay of this entire season reminds readers that it was a time when grown men cried their eyes out after defeat, and others, just a few hundred feet away, poured beer and champagne over one another while 57,000 people in Seattle's Kingdome celebrated. Five games that reminded people, after the devastating players' strike in 1994, how great a game baseball is because comebacks are always possible, no matter how great the obstacles may seem. From Don Mattingly's only postseason home run, which caused a near riot, to Edgar Martinez's legendary eleventh inning series-clinching double, Donnelly chronicles the earlier struggles of both teams during the 1980s, their mid-1990s resurgence, all five heart-stopping games of the series, and the dramatic and long-lasting effects of Seattle's victory. Only three years before, the Cards had won the World Series, but were predicted to finish last in the National League East Division by every major publication. Manager Whitey Herzog was expected to rebuild his team, drug abuse had cast a lingering shadow over the game, and a players' strike threatened to halt play. The situation looked bleak for St. Louis but the season turned out to be nothing like the predictions. The Cards found themselves in a battle for the pennant. From beginning to end, that magical season is chronicled here. The book recaps the 1982 championship season and provides background information on Whitey Herzog and Gussie Busch's building of the early 1980s Cards, Busch Stadium and its characteristics particular to base running, and players of the era, including Ozzie Smith and Willie McGee and pitchers Bob Forsch and Joaquin Andujar.
