cruel instruction movie where to watch: You Duped Me, O Lord Hugh Duffy, 2025-06-12 In this engaging memoir, Father Hugh Duffy chronicles his more than fifty-year journey as a Catholic priest, revealing the complex and often painful struggle between his vocation to serve the gospel and navigating the institutional church. From his early days establishing charitable programs in Ireland to his later years visiting parishes across America, he unflinchingly examines how the church's institutional structure can often work against its own mission to maintain gospel values. Through vivid personal accounts, he reveals his battles against corruption, false accusations, and abuse of power while retaining his unwavering commitment to serve those in need. The title, drawn from the prophet Jeremiah's lament, reflects Duffy's own wrestling with a calling that led him along unexpected and challenging paths. cruel instruction movie where to watch: Devil in the Stack Andrew Smith, 2024-08-20 From internationally-bestselling author and journalist Andrew Smith, an immersive, alarming, sharp-eyed journey into the bizarre world of computer code, told through his sometimes painful, often amusing attempt to become a coder himself Throughout history, technological revolutions have been driven by the invention of machines. But today, the power of the technology transforming our world lies in an intangible and impenetrable cosmos of software: algorithmic code. So symbiotic has our relationship with this code become that we barely notice it anymore. We can't see it, are not even sure how to think about it, and yet we do almost nothing that doesn't depend on it. In a world increasingly governed by technologies that so few can comprehend, who—or what—controls the future? Devil in the Stack follows Andrew Smith on his immersive trip into the world of coding, passing through the stories of logic, machine-learning and early computing, from Ada Lovelace to Alan Turing, and up to the present moment, behind the scenes into the lives—and minds—of the new frontiers people of the 21st century: those who write code. Smith embarks on a quest to understand this sect in what he believes to be the only way possible: by learning to code himself. Expansive and effervescent, Devil in the Stack delivers a portrait of code as both a vivid culture and an impending threat. How do we control a technology that most people can't understand? And are we programming ourselves out of existence? Perhaps most terrifying of all: Is there something about the way we compute – the way code works – that is innately at odds with the way humans have evolved? By turns revelatory, unsettling, and joyously funny, Devil in the Stack is an essential book for our times, of vital interest to anyone hoping to participate in the future-defining technological debates to come.

Roupenian, 2019-01-15 *Includes the story "Cat Person"—now a major film* A compulsively readable collection of short stories that explore the complex—and often darkly funny—connections between gender, sex, and power across genres. "These stories are sharp and perverse, dark and bizarre, unrelenting and utterly bananas. I love them so, so much." —Carmen Maria Machado, National Book Award Finalist and author of *Her Body and Other Parties* "Kristen Roupenian isn't just an uncannily great writer, she also knows things about the human psyche...The world has made a lot more sense since reading this book." —Miranda July, New York Times bestselling author Previously published as *You Know You Want This*, "Cat Person" and *Other Stories* brilliantly explores the ways in which women are horrifying as much as it captures the horrors that are done to them. Among its pages are a couple who becomes obsessed with their friend hearing them have sex, then seeing them have sex...until they can't have sex without him; a ten-year-old whose birthday party takes a sinister turn when she wishes for "something mean"; a woman who finds a book of spells half hidden at the library and summons her heart's desire: a nameless, naked man; and a self-proclaimed "biter" who dreams of sneaking up behind and sinking her teeth into a green-eyed, long-haired, pink-cheeked coworker. Spanning a range of genres and topics—from the mundane to the murderous and supernatural—these are stories about sex and punishment, guilt and anger, the pleasure and terror

of inflicting and experiencing pain. These stories fascinate and repel, revolt and arouse, scare and delight in equal measure. And, as a collection, they point a finger at you, daring you to feel uncomfortable—or worse, understood—as if to say, “You want this, right? You know you want this.”
