Overview of CSUSB Student Health Center

The CSUSB Student Health Center is a campus-based facility dedicated to promoting and maintaining student health. It provides a wide range of services designed to meet the diverse medical and psychological needs of the university community. The center emphasizes preventive care, early intervention, and health education to foster a healthy campus environment. Staffed by licensed healthcare professionals, including physicians, nurse practitioners, and mental health counselors, the center ensures expert care is readily accessible. The facility is committed to confidentiality, cultural competence, and student-centered service, aligning with the university's mission to support student success and well-being.

Medical Services Offered

The medical services at the CSUSB Student Health Center encompass a variety of primary care and urgent health needs. These services are intended to address common illnesses, injuries, and health concerns that students may face during their academic journey.

Primary Care and Illness Treatment

Students can receive evaluation and treatment for acute illnesses such as colds, flu, infections, and allergies. The center also manages chronic conditions by offering ongoing monitoring and care coordination.

Immunizations and Vaccinations

The center provides required and recommended immunizations, including flu shots, meningitis vaccines, and COVID-19 vaccinations, helping to protect students and the campus community from preventable diseases.

Laboratory and Diagnostic Services

On-site lab testing is available for common diagnostic needs such as blood work, urine analysis, and strep tests, facilitating prompt diagnosis and treatment.

Women's Health Services

Services include gynecological exams, contraception counseling, pregnancy testing, and referrals for specialized care when needed.

Sexual Health and STI Testing

The center offers confidential sexually transmitted infection (STI) testing, treatment, and education to promote sexual health awareness and prevention.

Mental Health and Counseling Services

The CSUSB Student Health Center recognizes the critical role mental health plays in academic success and overall well-being. Professional counseling is available to support students through various challenges.

Counseling and Psychological Services

Licensed counselors provide individual and group therapy sessions addressing issues such as anxiety, depression, stress management, and adjustment difficulties.

Crisis Intervention and Support

Immediate assistance is available for students experiencing mental health crises, including suicidal ideation or other urgent psychological concerns.

Workshops and Support Groups

The center organizes educational workshops and peer support groups focused on mental health awareness, coping strategies, and resilience building.

Health Education and Wellness Programs

Beyond direct medical and counseling services, the CSUSB Student Health Center promotes holistic wellness through various educational initiatives and programs.

Health Promotion Campaigns

Regular campaigns focus on topics such as nutrition, exercise, substance abuse prevention, and sexual health, aiming to empower students with knowledge to make healthy choices.

Stress Reduction and Mindfulness Workshops

Workshops designed to teach relaxation techniques, mindfulness, and time management help students maintain balance during demanding academic periods.

Peer Health Educator Program

This program trains student volunteers to serve as health ambassadors who provide peer-to-peer education and support on a range of wellness topics.

Access, Eligibility, and Appointment

Information

The CSUSB Student Health Center is committed to providing easy access to care for all enrolled students, ensuring clear guidelines and efficient scheduling processes.

Who Is Eligible?

All currently enrolled CSUSB students, including undergraduate, graduate, and continuing education students, are eligible to utilize the health center's services.

How to Schedule an Appointment

Appointments can be made by phone or through the student health portal. The center also offers same-day urgent care slots for acute medical issues.

Walk-In and Emergency Services

While routine visits require appointments, the center accommodates walk-in visits for minor urgent medical concerns during operating hours. For true emergencies, students are advised to visit the nearest hospital emergency room.

Insurance and Payment Options

Understanding insurance coverage and payment options is essential for students utilizing the health center's services. The CSUSB Student Health Center strives to keep healthcare affordable and transparent.

Student Health Insurance Plan (SHIP)

CSUSB offers a Student Health Insurance Plan, which provides comprehensive coverage for health center services and external medical care. Enrollment is automatic for most students but can be waived with proof of other insurance.

Self-Pay and Payment Plans

Students without insurance or those seeking services not covered by insurance can pay on a self-pay basis. The center offers reasonable rates and may provide payment plans for certain services.

Billing and Claims

The health center assists students with billing questions and insurance claims to streamline the payment process and reduce financial barriers to care.

Location, Hours, and Contact Information

The CSUSB Student Health Center is conveniently located on campus to ensure easy access for all students. The center maintains business hours that accommodate typical student schedules.

Facility Location

The health center is situated within the Student Services Building, centrally located to serve the campus community efficiently.

Operating Hours

The center operates Monday through Friday, with extended hours during peak times such as flu season and midterms to accommodate increased demand.

Contact Methods

Students can contact the health center via phone or the online student portal for appointments, general inquiries, and health information.

- Phone: Main line for appointments and questions
- Email: For non-urgent communications
- Student Portal: Secure platform for scheduling and accessing medical records
