The Philosophy Behind C.S. Lewis's Views on Education

C.S. Lewis's perspective on education is deeply rooted in the belief that education extends beyond the mere transmission of facts. He viewed education as a transformative process that shapes the intellect and moral character. Lewis emphasized the importance of engaging with ideas critically and creatively, encouraging learners to develop wisdom rather than rote knowledge. His philosophy also stressed the role of imagination and the arts in fostering a fuller understanding of the world. This holistic approach to education reflects Lewis's broader worldview that integrates reason, faith, and creativity.

Education as Formation of Character

One of the central tenets in Lewis's educational philosophy is the idea that true education forms character. He believed that intellectual development without moral growth is incomplete. For Lewis, education should nurture virtues such as humility, courage, and honesty alongside academic

achievement. This holistic formation prepares individuals not only to succeed professionally but also to contribute positively to society.

The Role of Imagination and Creativity

Lewis famously championed the role of imagination in education. He argued that imaginative engagement with literature, history, and the arts cultivates empathy and broadens intellectual horizons. Through imagination, learners can explore complex ideas and moral dilemmas in a way that purely factual learning cannot achieve. This aspect of Lewis's thought highlights the need for education systems to value creative disciplines equally with scientific and technical subjects.

Notable C.S. Lewis Quotes About Education

C.S. Lewis's writings contain numerous memorable quotes that encapsulate his educational philosophy. These quotes continue to resonate with educators and learners, offering timeless guidance on the aims and methods of education. Here are some of the most significant cs lewis quotes about education that exemplify his views:

1. *"Education without values, as useful as it is, seems rather to make man a more clever devil."* This quote underscores the necessity of integrating ethical values within academic learning.
2. *"The task of the modern educator is not to cut down jungles, but to irrigate deserts."* Lewis advocates for nurturing curiosity and intellectual growth rather than suppressing it.
3. *"We are not necessarily doubting that God will do the best for us; we are wondering how painful the best will turn out to be."* Though not directly about formal education, this quote reflects on the challenges of learning and personal growth.
4. *"The purpose of education is to show a person how to learn, not what to learn."* This quote highlights Lewis's emphasis on critical thinking and lifelong learning skills.
5. *"You don't have a soul. You are a soul. You have a body."* This profound insight relates to the holistic nature of education that addresses the whole person.

Applying C.S. Lewis's Educational Insights in Modern Learning

The principles embedded in C.S. Lewis's quotes about education remain highly relevant in today's educational landscape. Modern educators can draw from Lewis's ideas to create more meaningful, values-driven learning experiences. His emphasis on character formation, creativity, and critical thinking aligns with contemporary educational goals that prioritize holistic student development.

Incorporating Values into Curriculum

Modern education benefits from integrating ethical and moral dimensions into the curriculum. Lewis's warnings against education devoid of values encourage schools to foster environments where students develop integrity and social responsibility alongside academic skills. This can be done through character education programs, service learning, and discussions on moral philosophy.

Encouraging Critical Thinking and Curiosity

Lewis's quote about irrigating deserts rather than cutting down jungles serves as a metaphor for encouraging curiosity rather than stifling it. Educators today emphasize inquiry-based learning, problem-solving, and open-ended questioning, which reflect Lewis's call to nurture intellectual exploration rather than enforce rigid rote learning.

How C.S. Lewis's Quotes Inspire Educators and Students

C.S. Lewis's reflections on education inspire both educators and students by offering a vision of learning as a lifelong, enriching journey. His quotes encourage teachers to see their role as facilitators of growth and transformation, not merely conveyors of information. Students are reminded of the importance of embracing education as a means to develop their whole selves.

Motivation for Educators

Many educators find motivation in Lewis's belief that teaching is about inspiring minds and hearts. His assertion that education should cultivate wisdom and virtue serves as a guiding principle for those committed to making a positive impact on their students' lives.

Empowerment for Students

Students can draw encouragement from Lewis's emphasis on learning how to learn. This empowerment fosters resilience and adaptability, crucial traits in a rapidly changing world. Lewis's words remind learners that education is not just about acquiring knowledge but about shaping their identity and worldview.

Key Themes in C.S. Lewis's Thoughts on Education

Several key themes emerge consistently in C.S. Lewis's quotes about education. Understanding these themes helps to appreciate the depth of his educational philosophy and its enduring influence.

- **Integration of Morality and Knowledge:** Education should develop both intellect and character.
- **Imagination as a Learning Tool:** Creative engagement enriches understanding and empathy.
- **Lifelong Learning:** Education is a continual process of growth and discovery.
- **Holistic Development:** Education addresses the whole person—mind, body, and soul.
- **Encouragement of Critical Thinking:** Learning how to think is more important than rote memorization.

Frequently Asked Questions

What are some famous C.S. Lewis quotes about education?

One famous quote by C.S. Lewis about education is: "Education without values, as useful as it is, seems rather to make man a more clever devil." This highlights the importance of moral values in education.

How did C.S. Lewis view the purpose of education?

C.S. Lewis believed the purpose of education was not just the transfer of knowledge but the formation of character and values. He emphasized that

education should cultivate virtue and wisdom.

Did C.S. Lewis believe education was purely academic?

No, C.S. Lewis did not believe education was purely academic. He argued that true education involves shaping the whole person, including their morals and imagination, rather than just intellectual achievement.

What did C.S. Lewis say about the role of imagination in education?

C.S. Lewis valued imagination highly in education, believing it essential for understanding and creativity. He once said, "The task of the modern educator is not to cut down jungles, but to irrigate deserts," highlighting nurturing imagination and curiosity.

How can C.S. Lewis quotes inspire modern educators?

C.S. Lewis quotes inspire modern educators to focus on holistic education—encouraging not only intellectual growth but also moral and imaginative development, ensuring students become well-rounded individuals.

What warnings did C.S. Lewis give about education?

C.S. Lewis warned against an education system that focuses solely on technical knowledge without ethical grounding. He cautioned that such education might produce clever individuals lacking in virtue.

Are there any C.S. Lewis quotes that emphasize lifelong learning?

Yes, C.S. Lewis emphasized lifelong learning and growth. He said, "You are never too old to set another goal or to dream a new dream," encouraging continuous education beyond formal schooling.

Additional Resources

1. The Abolition of Man

This classic work by C.S. Lewis explores the philosophy of education, emphasizing the importance of objective values and moral education. Lewis critiques modern education's tendency to undermine traditional values and argues for the cultivation of virtue and proper judgment. The book is a profound meditation on how education shapes the character of individuals and society.

2. Surprised by Joy: The Shape of My Early Life

In this autobiographical work, Lewis reflects on his own educational journey and how his early experiences shaped his intellectual and spiritual development. The book provides insight into the formative influences that contributed to his views on learning, knowledge, and the pursuit of truth. It is a testament to the transformative power of education and joy in the growth of the mind and soul.

3. *The Four Loves*

While primarily about different types of love, this book touches on the role of affection and relationship in education. Lewis discusses how love influences understanding and learning, shaping how we relate to knowledge and to others. The book helps readers appreciate the emotional dimensions of education and personal growth.

4. *Letters to Malcolm: Chiefly on Prayer*

Though focused on prayer, this book offers valuable reflections on discipline, habit formation, and the spiritual dimensions of education. Lewis's letters reveal how education is not just intellectual but also deeply connected to spiritual formation and character building. It is a resource for understanding the holistic nature of learning.

5. *Mere Christianity*

This theological work includes insights into moral education and the development of a just character. Lewis explains the importance of moral reasoning and the role of education in fostering virtues essential for a well-lived life. The book is influential for educators interested in the ethical implications of teaching.

6. *The Weight of Glory and Other Addresses*

A collection of essays and speeches by Lewis, this book addresses themes such as the purpose of education, the pursuit of excellence, and the development of the whole person. Lewis challenges readers to consider education as a means of preparing for a meaningful and honorable life. The essays inspire educators and learners alike to aim higher in their intellectual and spiritual pursuits.

7. *Christian Reflections*

In this series of essays, Lewis reflects on various aspects of culture, society, and education. He critiques contemporary educational trends and advocates for an approach grounded in truth, beauty, and goodness. The book offers practical wisdom for educators seeking to integrate faith and learning.

8. *On Stories: And Other Essays on Literature*

Lewis explores the role of storytelling in education and the development of imagination. He argues that stories are crucial for teaching moral lessons and fostering creativity. This collection highlights the importance of literature in shaping young minds and enriching educational experiences.

9. *God in the Dock: Essays on Theology and Ethics*

This compilation of essays tackles the relationship between theology, ethics,

and education. Lewis discusses how education is inseparable from questions of meaning and morality. The book provides a thoughtful examination of how educational content and methods reflect deeper philosophical commitments.

cs lewis quotes about education: The Misquotable C.S. Lewis William O'Flaherty, 2018-03-16 C.S. Lewis wrote many great words, but not everything you see with his name on it is from the famed author of the Narnia books. Seventy-five quotations are presented that have an association in one way or another with a host of names, including: Ryan Seacrest, Anthony Hopkins, Max Lucado, Rick Warren, and Tim Allen! Learn the three most common ways Lewis is misrepresented: 1.Falsely Attributed Quotes: Expressions that are NOT by him. 2.Paraphrased: Words that are ALMOST what he said. 3.Out of Context: Material he wrote, but are NOT QUITE what he believed. This book doesn't stop there. Also discover what Lewis actually said that is related to the presented misquotes. Those new to Lewis and the more serious reader of his works will grow in their appreciation of a writer that is not only quotable, but obviously misquotable!

cs lewis quotes about education: The Gospel of Education Martin Zschoche, 2021-01-02
Re-explore teaching from the depths of brain-based accelerated learning research that reveals how students learn and respond to classroom environments and teacher interactions.

 By creating a warm and welcoming atmosphere, complete with music and fun, your students learn how much you care for them and understand their needs. Your words are powerful and everything you do or say sends a message, consciously or non-consciously, to your students. Through purposeful classroom management and choreographed instruction, grab your students' attention and keep them so focused, there is no time to become distracted or misbehave. By removing students' fear factors and giving them leadership roles, students take ownership of the classroom, productively engaging with each other and learning deeply together. Turn assessments into a joyful experience of profound learning. Be that teacher the students remember fondly years after they leave school, the one about whom they say: We learned soooo much and we remember it!

cs lewis quotes about education: Sehnsucht: The C. S. Lewis Journal Bruce R. Johnson, 2023-03-23 Sehnsucht: The C. S. Lewis Journal, established by the Arizona C. S. Lewis Society in 2007, is the only peer-reviewed journal devoted to the study of C. S. Lewis and his writings published anywhere in the world. It exists to promote literary, theological, historical, biographical, philosophical, bibliographical and cultural interest (broadly defined) in Lewis and his writings. The journal includes articles, review essays, book reviews, film reviews and play reviews, bibliographical material, poetry, interviews, editorials, and announcements of Lewis-related conferences, events and publications. Its readership is aimed at academic scholars from a wide variety of disciplines, as well as learned non-scholars and Lewis enthusiasts. At this time, Sehnsucht is published once a year.

cs lewis quotes about education: C.S. Lewis: Latter Day Truths in Narnia Marianna Richardson, Christine Thackeray, 2023-02-02 C. S. Lewis was an accomplished scholar, writer, and Christian apologist. His incredible insights and wonderful stories have long been a favorite of the LDS community, and he has been referenced thousands of times throughout LDS writings. Even Shakespeare pales in comparison to the number of times C. S. Lewis has been quoted by Mormon

authors, scholars, and General Authorities to illustrate doctrinal truths. Lewis had a knack of speaking for every man and gave us modern parables for Christian living. All can relate to his testimony of Christ and his practical understanding of how to put gospel teachings into practice today. C. S. Lewis: Latter-day Truths in Narnia explores Lewis's life, his writings, and his influence on LDS writers, scholars, and authorities. Lewis realized that life is more than what we see and deeper than what we feel. Whether or not you are familiar with Lewis's nonfiction works or his fictional characters, you will enjoy reading about his powerful testimony of Jesus Christ.

cs lewis quotes about education: Mere Education Mark A Pike, 2013-09-26 The word 'mere' is used in the title of this book in its Middle English sense as an adjective 'nothing less than, complete'. This book is about schooling for a fair and vibrant society; it is about an education of hope, education that completes a person. In 'The Magician's Nephew' (1955), the first in C.S. Lewis' Chronicles of Narnia series, Digory and Polly are dragged back through time into a world that is

cs lewis quotes about education: The Palgrave Handbook of Educational Thinkers Brett A. Geier, 2024-08-21 This handbook presents a durable, comprehensive, and up-to-date resource covering the seminal thinkers in education of past and present. Each entry will capture the professional background of a legendary thinker and presents their key insights, new thinking, and major legacies to the field of education. Carefully brought together to present a balance of gender and geographical contexts as well as areas of thought and work in the broad field of education, this handbook provides a unique history and overview of figures who have shaped education and educational thinking throughout the world.

cs lewis quotes about education: The Cambridge Companion to C. S. Lewis Robert MacSwain, Michael Ward, 2010-09-09 A comprehensive single-volume study surveying C. S. Lewis's career as an academic, Christian thinker, and creative writer.

cs lewis quotes about education: The Warrior Rick Calloway, 2019-08-20 It is with great excitement that we publish this devotional. The focus of this devotional is to proclaim that distinctive Christian living is possible in all areas of our life. The ability to live this way is found in a personal relationship with Jesus Christ and by daily trusting and following Him in all we do. It is my prayer that God will use this devotional to fan the flames of your personal commitment to God so that you might be fully surrendered to Him with your life.

cs lewis quotes about education: The Abolition of Man: C.S. Lewis's Classic Essay on Objective Morality C. S. Lewis, Michael Ward, 2017-05-08 The Abolition of Man is one of C.S. Lewis's most important and influential works. In three weighty lectures, given at the height of the Second World War, Lewis defends the objectivity of value, pointing to the universal moral law that all great philosophical and religious traditions have recognized. This critical edition, prepared by Michael Ward, helps readers get the most out of Lewis's classic work with an introduction placing the book in the context of his life and times; a fully annotated version of the text; a commentary on key passages; and a set of questions for group discussion or individual reflection. Scholarly, detailed, yet accessible, it is the must-have version of an essential volume.

cs lewis quotes about education: The Neglected C. S. Lewis Mark Neal, Jerry Root, 2020-06-18 Readers who can quote word for word from C.S. Lewis's theological classic, Mere Christianity, or his science fiction novel, Perelandra, have often never read his work as a professional literary historian. They may not even recognize some of the neglected works discussed, here. Mark Neal and Jerry Root have done students of Lewis a great service, tracing the signature ideas in Lewis's works of literary criticism and showing their relevance to Lewis's more familiar books. Their thorough research and lucid prose will be welcome to all who would like to understand Lewis more fully, but who feel daunted by books of such evident scholarly erudition. For example, when you read The Discarded Image on the ancients' view of the heavens, you understand better why Ransom has such unpleasant sensations when first descending toward Malacandra in Out of the Silent Planet. And when you come across Lewis's discussion in OHEL of a minor sixteenth-century poet who described the hellish River Styx as a "puddle glum," you can't help but chuckle at the name when you meet the famous Marshwiggle in The Silver Chair. These are just two examples of

how reading the “Neglected Lewis” can help every reader understand Lewis more fully.

cs lewis quotes about education: C.S. Lewis For Beginners Louis Markos, 2022-06-05 C.S. Lewis For Beginners is a thorough examination of C. S. Lewis, the greatest Christian apologist of the twentieth century, throughout his career as an author and as a professor at Oxford University. A Christian apologist defends Christianity as a consistent and coherent worldview that squares with human reason, history, and desire. It offers answers to every facet of our lives on earth as well as answers to our questions about what happens after we die. What makes C.S. Lewis unique as an apologist is the way he balanced so perfectly reason and imagination, logic and intuition, and head and heart. In addition to writing such non-fiction apologetics books as *Mere Christianity*, *The Problem of Pain*, and *Miracles*, he wrote eleven novels: the seven *Chronicles of Narnia*, a trilogy of science-fiction adventures, and a haunting retelling of an old myth set in the ancient world. All eleven tell wonderful, captivating stories that stand on their own as fiction but that also support and bring to life the kinds of apologetical arguments he makes in his non-fiction. He also wrote two utterly unique works of fiction, *The Screwtape Letters* and *The Great Divorce*, that offer a fresh, highly original take on sin and temptation, angels and devils, and heaven and hell. And that’s not all. Lewis the apologist and novelist had a day job. He was a celebrated English professor at Oxford, and then Cambridge, University who wrote works of literary criticism that are still famous today. C.S. Lewis For Beginners takes the reader through the wardrobe of his complete catalog of writing.

cs lewis quotes about education: C. S. Lewis's Case for Christ Art Lindsley, 2005-09-01 There can be many obstacles to faith, as C. S. Lewis discovered. But he overcame them to become one of Christianity's most ardent warriors of the faith. Art Lindsley provides a readable introduction to C. S. Lewis's reflections on objections to belief in Jesus Christ and the compelling reasons why Lewis came to affirm the truth of Christianity.

cs lewis quotes about education: Soft Skills for Kids Nancy Armstrong Melser, 2022-05-11 Children today are going through a lot—they are busy with school, involved in extracurricular activities, and trying to navigate the world of COVID and other concerns. Teachers and parents are busy too—with work, school, and parenting activities. How will they have the time to teach valuable skills such as manners and respect to children? These are “soft skills”; the skills necessary to work with others and be a respected and valuable citizen in the workplace of tomorrow. *Soft Skills for Kids: In Schools, at Home, and Online*, 2nd Edition, focuses on ways that teachers and parents can work together to teach soft skills to the children in their lives. This book is not a curriculum program or set of lessons to help children, but rather a series of “teachable moments” in which adults teach strategies to children as they happen. Finally, as the education of children has changed recently due to the pandemic with an increased number of children learning online, this book will be a great resource for how adults can work together to help children learn soft skills—in schools, at home, and online.

cs lewis quotes about education: C. S. Lewis Bruce L. Edwards, 2007-04-30 Most popularly known as the author of the children's classic *The Chronicles of Narnia*, C. S. Lewis was also a prolific poet, essayist, novelist, and Christian writer. His most famous work, *The Lion, the Witch, and the Wardrobe*, while known as a children's book is often read as a Christian allegory and remains to this day one of his best-loved works. But Lewis was prolific in a number of areas, including poetry, Christian writing, literary criticism, letters, memoir, autobiography, sermons and more. This set, written by experts, guides readers to a better understanding and appreciation of this important and influential writer. Clive Staples Lewis was born on November 29, 1898, in Belfast, Northern Ireland. His mother died when he was young, leaving his father to raise him and his older brother Warren. He fought and was wounded in World War I and later became immersed in the spiritual life of Christianity. While he delved into the world of Christian writing, he did not limit himself to one genre and produced a remarkable oeuvre that continues to be widely read, taught, and adored at all levels. As part of the circle known as the Inklings, which consisted of writers and intellectuals, and included J.R.R. Tolkien, Charles Williams, and others, he developed and honed his skills and continued to put out extensive writings. Many different groups now claim him as their own:

spanning genres from science fiction to Christian literature, from nonfiction to children's stories, his output remains among the most popular and complex. Here, experts in the field of Lewis studies examine all his works along with the details of his life and the culture in which he lived to give readers the fullest complete picture of the man, the writer, and the husband, alongside his works, his legacy, and his place in English letters.

cs lewis quotes about education: C.S. Lewis Michelle Ann Abate, Lance Weldy, 2012-11-01 Beginning with the publication of *The Lion, the Witch and the Wardrobe* in 1950 and concluding with the appearance of *The Last Battle* in 1956, C. S. Lewis's seven-book series chronicling the adventures of a group of young people in the fictional land of Narnia has become a worldwide classic of children's literature. This stimulating collection of original essays by critics in a wide range of disciplines explores the past place, present status, and future importance of *The Chronicles of Narnia*. With essays ranging in focus from textual analysis to film and new media adaptations, to implications of war/trauma and race and gender, this cutting-edge New Casebook encourages readers to think about this much-loved series in fresh and exciting ways.

cs lewis quotes about education: *The Fame of C. S. Lewis* Stephanie L. Derrick, 2018-07-18 C. S. Lewis, long renowned for his children's books as well as his Christian apologetics, has been the subject of wide interest since he first stepped-up to the BBC's microphone during the Second World War. Until now, however, the reasons why this medievalist began writing books for a popular audience, and why these books have continued to be so popular, had not been fully explored. In fact Lewis, who once described himself as by nature an 'extreme anarchist', was a critical controversialist in his time-and not to everyone's liking. Yet, somehow, Lewis's books directed at children and middlebrow Christians have continued to resonate in the decades since his death in 1963. Stephanie L. Derrick considers why this is the case, and why it is more true in America than in Lewis's home-country of Britain. The story of C. S. Lewis's fame is one that takes us from his childhood in Edwardian Belfast, to the height of international conflict during the 1940s, to the rapid expansion of the paperback market, and on to readers' experiences in the 1980s and 1990s, and, finally, to London in November 2013, where Lewis was honoured with a stone in Poet's Corner in Westminster Abbey. Derrick shows that, in fact, the author himself was only one actor among many shaping a multi-faceted image. *The Fame of C. S. Lewis* is the most comprehensive account of Lewis's popularity to date, drawing on a wealth of fresh material and with much to interest scholars and C. S. Lewis admirers alike.

cs lewis quotes about education: *C.S. Lewis--On the Christ of a Religious Economy*, 3.1 P. H. Brazier, 2013-05-03 C. S. Lewis--On the Christ of a Religious Economy I, Creation and Sub-Creation opens with Lewis on creation, the fall into original sin, and the human condition before God and how such an understanding permeated all his work, post-conversion. For Lewis, Christ, the second person of the Trinity, is the agent of creation and its redeemer. This leads into Lewis's representation through sub-creation: explaining salvation history and the purpose of the creation and the creature through story (*The Chronicles of Narnia*, *The Space Trilogy*, *Screwtape*, etc.), but also the question of multiple incarnations, and the encounters he pens between Aslan-Christ and creatures. What does this tell us about the human predicament and our state after the fall? This volume forms the first part of the third book in a series of studies on the theology of C. S. Lewis titled *C. S. Lewis: Revelation and the Christ*. The books are written for academics and students, but also, crucially, for those people, ordinary Christians, without a theology degree who enjoy and gain sustenance from reading Lewis's work.

cs lewis quotes about education: *Mao's America* Xi Van Fleet, 2023-10-31 THE BOOK BEHIND THE VIRAL TUCKER CARLSON INTERVIEW An inspiring survivor of Mao's Cultural Revolution in China makes a passionate case that history is eerily repeating itself as the Woke Revolution spreads across America. Xi Van Fleet lived through the horrors of the Chinese Cultural Revolution as a schoolgirl. Forced to the countryside with other young Chinese for re-education after high school, she later escaped communism and found freedom and new a life in America. But more than 30 years later, Xi disturbingly sees signs of the same Cultural Marxism that ravaged her birth

country of China threatening to destroy the America she now calls home. This is her dire warning to the United States. Xi compellingly tells the story of two Cultural Revolutions: one driven by Mao during her childhood and the one unfolding in today's America from the progressive left. With captivating personal stories and extensive historic research, Xi reveals the stunning similarities of these two revolutions. This fascinating book shows readers that both revolutions: Use Marxist tactics of division, indoctrination, deception, coercion, cancelation, subversion and violence. Aim to destroy the foundation of the traditional culture to replace it with Marxist ideologies. Weaponize youth, using them as their means to an end. Share the same goal of achieving absolute power at the expense of the people. Lead to the same ending: loss of freedom and totalitarian rule. Readers will be captivated by the riveting personal story of a Chinese immigrant to the United States who overcame fear and reluctance to get involved in the movement to save America. Her political activism begins with a school board speech in 2021 against Critical Race Theory in Loudoun County, Virginia that unexpectedly goes viral and ignites national media attention. Xi now devotes her life to educating the American public on the shocking parallels between these two revolutions. Because only when Americans understand what is really happening will they rise up and resist the communist takeover of America.

cs lewis quotes about education: C. S. Lewis Stewart Goetz, 2018-02-28 The definitive exploration of C.S. Lewis's philosophical thought, and its connection with his theological and literary work Arguably one of the most influential writers of the twentieth century, C.S. Lewis is widely hailed as a literary giant, his seven-volume Chronicles of Narnia having sold over 65 million copies in print worldwide. A prolific author and scholar whose intellectual contributions transcend the realm of children's fantasy literature, Lewis is commonly read and studied as a significant theological figure in his own right. What is often overlooked is that Lewis first loved and was academically trained in philosophy. In this newest addition to the Blackwell Great Minds series, well-known philosopher and Lewis authority Stewart Goetz discusses Lewis's philosophical thought and illustrates how it informs his theological and literary work. Drawing from Lewis's published writing and private correspondence, including unpublished materials, C.S. Lewis is the first book to develop a cohesive and holistic understanding of Lewis as a philosopher. In this groundbreaking project, Goetz explores how Lewis's views on topics of lasting interest such as happiness, morality, the soul, human freedom, reason, and imagination shape his understanding of myth and his use of it in his own stories, establishing new connections between Lewis's philosophical convictions and his wider body of published work. Written in a scholarly yet accessible style, this short, engaging book makes a significant contribution to Lewis scholarship while remaining suitable for readers who have only read his stories, offering new insight into the intellectual life of this figure of enduring popular interest.
