Through the Incarnation, Christ bridges the gap between God and man, offering reconciliation and eternal life.

Soteriology: Salvation through Christ

Soteriology, the study of salvation, is central to the message that Christ is the answer. Fr. This gift invites believers into a restored relationship with God and empowers them to live transformed lives.

Ecclesiology: The Role of the Church

The Church plays a pivotal role in Fr. Riccardo's ministry as the visible community where believers encounter Christ and grow in faith. The list goes on and on. Although incredibly intoxicating, the media all too often distracts us from that which is most important, and in many instances, actually fights against our good and noble goals in life. In her new book, *Noise*, Teresa Tomeo, a veteran broadcast journalist in both the Catholic and secular markets, makes a compelling and irrefutable case about the dangers of our dominant media culture - and the adjoining liberalism and immorality that comes with it. Tomeo gives a sobering analysis of each of the nine dominant forms of media, and she reveals how they are rapidly dismantling families and destroying lives. You will learn: The nine dominant forms of media, and how each can negatively impact our lives What parents can do to protect their children - and themselves - from the dangers of media saturation The effects of TV on children and young adults, and the proper limits parents should put in place How to monitor the lyrics of your teens' favorite music groups How biased the media really are, and how to sift through the propaganda How to navigate your family through the minefield of media saturation ...and much more!

fr john riccardo christ is the answer: Rerouting Fr. fr john riccardo christ is the answer: Because of Our Fathers Tyler Rowley, 2020-08-11 A father—the head of the household, as Saint Paul says—has a crucial role and responsibility in his family, not only materially, but spiritually. This is no outdated biblical cliché, but a biological, sociological, and metaphysical reality that we too often fail to recognize. The example of a father can leave an indelible imprint on the character of his children. In *Because of Our Fathers*, twenty-three Catholics—including Patrick Madrid, Abby Johnson, Bishop Joseph Strickland, Father Paul Scalia, Jesse Romero, Anthony Esolen, Father Rocky, Christopher Check, and Father Gerald Murray—give portraits of their own fathers as conduits and models of Christian love. Ranging from the heroic to the ordinary, these powerful testimonies will inspire men to consider more deeply the amazing privilege that God has given them to become, despite their imperfection, a living image of our Father in Heaven. The introduction and conclusion by editor Tyler Rowley serve as a wake-up call. Illustrating the Church's teaching on fatherhood with current research on the family, he makes clear the urgent need for men who take seriously the God-given, grace-filled task of raising children.

Sheen, 2017-08-07 Why is it, asks Bishop Fulton Sheen, that one hears so often the expression Go to hell! and almost never the expression Go to heaven! Here, at his most penetrating, challenging, and illuminating best is Bishop Sheen with his answer, in a book that breathes new meaning into the truths about heaven and hell, and new life into the concepts of faith, tolerance, love, prayer, suffering, and death. Beginning with The First Faint Summons to Heaven, Sheen shows how unpopular it is today to be a true Christian, and describes the struggle for living our faith amid the disorders of our times. Keenly aware of evil in the myriad forms it takes in today's world, Bishop Sheen writes about the constant battle man faces with the seven pallbearers of character - pride, avarice, envy, lust, anger, gluttony and sloth - linking them with the corrosive forces that never cease in their attacks on the Church and those who earnestly desire to be serious Christians. In Go to Heaven, a great spiritual teacher and writer, deeply aware of the human and spiritual conflicts being waged in the world, shows us the way to heaven in a most eloquent book, encouraging the reader to choose heaven now, and to understand the reality of hell.
