Tips for Choosing and Developing Persuasive Speech Ideas

Choosing the right ideas for persuasive speech requires careful consideration of the audience, purpose, and available evidence. Developing a strong argument involves thorough research, clear structure, and engaging delivery techniques.

Strategies for Selecting Effective Topics

Effective topic selection depends on the speaker's knowledge, audience interest, and the relevance of the issue. Topics that evoke emotion and provide room for debate are usually more persuasive.

Steps to Develop a Persuasive Speech

1. Identify a clear, debatable topic that aligns with audience interests.
2. Conduct comprehensive research to gather credible evidence.
3. Organize the speech with a compelling introduction, strong arguments, and a persuasive conclusion.
4. Use rhetorical devices such as ethos, pathos, and logos to strengthen the appeal.
5. Practice delivery to ensure confidence, clarity, and engagement.

ideas for persuasive speech: Be a Leader: How to Communicate Effectively and Master the Art of Public Speaking Ian Tuhovsky, Calling All Individuals Determined To Become Magnetic And Irresistibly Persuasive "In-depth book reveals how anyone can become a master of persuasion." The author swears the methods contained in this book are 100% ethical and legal. "POSSIBLY THE MOST DANGEROUS BOOK ON PERSUASION AND INFLUENCE EVER WRITTEN." If you want to become the most influential person in the room that people agree with and follow then this will be the most important book you'll ever read. Here's why... My name is Ian Tuhovsky and I've been studying the complicated world of human relationships and communication for over 11 years. One

thing I can tell you is that... People that don't know how to be influential -end up at the back of the line -last for the promotion -picked last for the team -and forgotten when invites are handed out. I've helped tens of thousands of people worldwide transform the way they interact with others and, as a side effect, the way they live their lives. When I started, people thought I was a master manipulator. My family and friends became suspicious. Some even watched "The Mentalist" to learn to protect themselves from my methods. They couldn't help but notice though that whatever I was doing was not only bringing me success at work and in love but also made our relationships better. So, out of curiosity, they reached for my books and were SHOCKED. They found that the methods I teach are based on science and can help anyone better themselves and their lives. We all strive to be better, happier, healthier and successful. Is it unethical to use these extremely powerful methods to help you get to where you want to be? This book is just a tool. It's up to you how you use it. You can build a house or murder someone with a hammer. Should hammers be banned? Over 20,352 people have used the tools I hand out to build better relationships, wildly successful careers and more enjoyable lives. Who Needs The Information in This Book? Are you in a job that requires you to communicate with others and get them on board with your ideas? Are you a parent or in a committed relationship and rely on communication to keep things healthy? Are you a business owner and deal with contractors, employees, customers and business partners? If you answered 'yes' to any of the above then you need to read "Become a Leader" and immediately start implementing these methods to transform your life, work, and relationships. You won't find this information anywhere else. This is years of research and experience compiled into 126 pages. Here's a mere fraction of what you'll find inside: The Scientifically Proven Ways to be More Persuasive and Influential Easy Ways to Take Charge in Any Social or Professional Situation Think Manipulation is Evil? Think Again! This is just a small portion of the book! On page 17 you'll get to see why people cave in when faced with persistence. On page 49 I give you the step-by-step instructions on getting anyone to say yes to you. On page 86 you'll learn how to create and embody a confident and influential persona. 126 Pages. 19 Chapters. ideas for persuasive speech: The Idea of Identification Gary C. Woodward, 2012-02-01 Illustrated with interesting examples drawn from politics and art, The Idea of Identification draws on classical social and rhetorical theories to establish a systematic framework for understanding the varieties and forms of identification. Woodward references a variety of contexts in contemporary life to explore the rhetorical conditions that create powerful and captivating moments. By invoking the influential ideas of Kenneth Burke, George Herbert Mead, Joshua Meyrowitz and others, he shows

how the rhetorical process of identification is separate from psychological theories of identity construction. Woodward concludes with an argument that film theory has perhaps offered the most vivid descriptive categories for understanding the bonds of identification.
