maynard james keenan relationships: A Perfect Union of Contrary Things Maynard James Keenan, 2018-10-01 New York Times Bestseller *A Perfect Union of Contrary Things* is the authorized biography of musician and vintner Maynard James Keenan. Co-author Sarah Jensen's 30-year friendship with Keenan gives her unique insight into his history and career trajectory. The book traces Keenan's journey from his Midwest childhood to his years in the Army to his time in art school, from his stint at a Boston pet shop to his place in the international spotlight and his influence on contemporary music and regional winemaking. A comprehensive portrayal of a versatile and dedicated artist, *A Perfect Union of Contrary Things* pays homage to the people and places that shaped the man and his art. Until now, Maynard's fans have had access to only an abridged version of his story. *A Perfect Union of Contrary Things* presents the outtakes, the scenes of disappointment and triumph, and the events that led him to take one step after the next, to change direction, to explore sometimes surprising opportunities. Included are sidebars in his own words, often humorous anecdotes that illuminate the narrative, as well as commentary by his family members, friends, instructors, and industry colleagues. The book also features a foreword by Alex Grey, an American visionary artist and longtime friend of Keenan. Accompanying the text are photos of Keenan from childhood to the present. Maynard's story is a metaphor for the reader's own evolution and an encouragement to follow one's dreams, hold fast to individual integrity, and work ceaselessly to fulfill our creative potential.

maynard james keenan relationships: The Indigo Children Beth Singler, 2017-09-18 The Indigo Child concept is a contemporary New Age redefinition of self. Indigo Children are described in their primary literature as a spiritually, psychically, and genetically advanced generation. Born from the early 1980s, the Indigo Children are thought to be here to usher in a new golden age by changing the world's current social paradigm. However, as they are paradigm busters, they also claim to find it difficult to fit into contemporary society. Indigo Children recount difficult childhoods

and school years, and the concept has also been used by members of the community to reinterpret conditions such as Attention Deficit Hyperactive Disorder (ADHD) and autism. Cynics, however, can claim that the Indigo Child concept is an example of special snowflake syndrome, and parodies abound. This book is the fullest introduction to the Indigo Child concept to date. Employing both on- and offline ethnographic methods, Beth Singler objectively considers the place of the Indigo Children in contemporary debates around religious identity, self-creation, online participation, conspiracy theories, race and culture, and definitions of the New Age movement.

maynard james keenan relationships: The Dictionary of Rock & Pop Names Mark Beech, 2009-07-19 Mark Beech's 1998 predecessor, *The A-Z of Names in Rock* generated over 50 radio interviews, 15 articles, 7 features in nationals and two serializations. This extended and updated version covers more genres than just rock (e.g. pop, punk, indie, reggae, soul, country, blues, folk, jazz, heavy metal, grunge and rap artists and bands) and will appeal to music fans internationally, as well as being the must-buy book for pub quiz fans. With almost 3,000 entries, it's a chance to discover why artists chose their names and which ones shouldn't have. An informative and often humorous read, the world's leading expert on music names (BBC), Mark Beech, is guaranteed another best-seller.

maynard james keenan relationships: The Connection Value Justin Cole, 2023-07-21 *The Connection Value* is a book that delves into the psychological value necessary to foster inner harmony, allowing the heart to manifest the divine energy of unconditional love through the mind. This is a contemporary interpretation of what was traditionally referred to as "The Holy Spirit". It is the physical transformation brought about by the Kundalini Awakening, which balances energy within and initiates a profound connection activation within the self. Through *The Connection Value*, readers are invited to let go of past traumas and release themselves from the burdens of conditioning, personal struggles, and generational trauma that weigh on their souls. The book encourages readers to turn inward and seek their own inner peace, rather than seeking salvation or rewards outside of themselves. This is a compelling and thought-provoking call to action for humanity to pay attention to the transformative power that lies within each of us. *The Connection Value* is a powerful tool for healing and growth, and an inspiration for those seeking a more connected and fulfilling life.

maynard james keenan relationships: Cognitive Liberty Chris P. Younce., 2022-08-03 Mankind is at a crossroads. Our social systems are breaking down because we've lost touch with our ecological position in the natural world. We've become utterly distracted by the fast-paced demands of daily life to the point where we've lost track of who we are. We've forgotten how to work as a team and nurture the partnerships that helped us be who we are today. Our neglected partnerships and abusive attitude toward our homeland reflect a mass symptom of ignorance that begs me to question the sanity of modern culture. Our inability to apply our attention to our intention has placed our species into vulnerable territory. Nature beckons us to wake up and remember who's in charge. The research explored throughout this book is based on the personal evolutionary process of creativity: our way of relating to the world. The reason this exploration is so personal is that it deals with the universal qualities of consciousness, as experienced uniquely by each individual on a subjective level. Thus, the theme of this project is to identify the objective aspect of evolving human consciousness by means of cognitive liberation. This quest is meant to address the peculiar problems of the unconscious and subconscious that shape ordinary experiences. This book considers consciousness as the locus of evolutionary change. What does it mean to be free from insecurity, to not get caught up in the trap of our minds and carried away from what truly matters in life? *Cognitive Liberty* offers our bodies and minds a resolution to our being and embrace life as a journey on its own terms. It's a friendly reminder that we're part of a learning process in constant stages of development and indeterminism. The more we're able to have fun with the process, the greater the freedom we experience in return.

maynard james keenan relationships: Unleashed: The Story of TOOL Joel McIver, 2012-03-07 The very first book about the Anglo-American metal band Tool explores not only their

uncompromising music but also their unsettling, self-made image based on mythological symbols and arcane theories. The quartet of master musicians – Maynard James Keenan, Danny Carey, Justin Chancellor and Adam Jones – emerged from the club scene in Los Angeles in 1990 alongside their friends Rage Against the Machine, grabbing the concept of heavy music and then completely redefining it. With a sixties-style commitment to art and agit-prop, they have now attained a level of artistic complexity and depth which makes their enduring success a miracle in today's culture of bland, corporate entertainment. Their rise to glory has been one of the stranger rock tales of our time. Joel McIver leaves no detail omitted as he delves into the mystery behind Tool's music

maynard james keenan relationships: *Uprooting Sexual Violence in Higher Education* Amy Murphy, Brian Van Brunt, 2016-08-19 With national conversation turned toward sexual assault on college campuses, knowing how to identify, prevent, and address these incidents in a safe, and productive way is essential for administrators and faculty. *Uprooting Sexual Violence in Higher Education* provides colleges and universities with a foundational understanding of twelve risk factors related to sexual assault, stalking, and intimate partner violence. By presenting a blend of theory, research, and the personal reflections of professionals 'on the front lines,' this book provides insights into the motivations, attitudes, and behaviors behind sexual assault on campus, as well as strategies for mitigating these risk factors in an effort to tailor prevention efforts. Whether you are seeking a way to navigate the recent regulations on sexual violence from the federal government or merely wish to safeguard the welfare of students on your campus, this book will provide the necessary, and invaluable foundation you need to empower, respect, and support all students.

maynard james keenan relationships: *All That Is (and All That Will Ever Be)* David John Black, 2014-10-28 In a world where we are drowning in information and yet starving for wisdom, every now and then someone comes along who understands Life so well, that they're able to explain it simply... Bad things don't happen to us because we are bad. It's not like we are being punished. *All That Is* is for anyone who has ever wondered who we truly are, why we are here and what we're meant to be doing. Based on a series of 'light bulb' moments, this intriguing compilation of insightful one-liners contains 101 life-changing sayings which explore the timeless truths of being human. It can help adults of all ages and all cultures to live our best possible life. If you are genuine in wanting greater peace of mind, more joy and happiness, easy-going relationships, improved health, better finances and ultimately, being at One with All of Life, then this book is for you. Ponder, contemplate or reflect upon these seemingly intuitive wisdoms which most people don't even slow down enough to notice, much less reflect upon. Then make them a part of your daily life to internalize the learnings. *All That Is* is a little tome that can last a person a lifetime. You can read *All That Is* in two minutes, or you can meditate on each of its sentences for a whole lifetime. - Author, Pedro Barrento, 'The Prince and the Singularity -- A Circular Tale'

maynard james keenan relationships: *Nietzsche and Music* Aysegul Durakoglu, Michael Steinmann, Yunus Tuncel, 2022-06-24 Friedrich Nietzsche (1844-1900) was not only a philosopher who loved and wrote about music; he was also a musician, pianist, and composer. In this ground-breaking volume, philosophers, historians, musicians, and musicologists come together to explore Nietzsche's thought and music in all its complexity. Starting from the role that music played in the formation and articulation of Nietzsche's thought, as well as the influence that contemporary composers had on him, the essays provide an in-depth analysis of the structural and stylistic aspects of his compositions. The volume highlights the significance of music in Nietzsche's life and looks deeply at his musical experiments which led to a new and radically different style of composition in relation with his philosophical thought. It also traces the influence that Nietzsche had on many other musicians and musical genres, from Russian composers to current rock music and heavy metal.

maynard james keenan relationships: Brand Mysticism Steven Grasse, Aaron Goldfarb, 2022-11-08 An irreverent and wide-ranging treatise on building and maintaining a standout brand in business or in life, from the marketing mastermind behind countless iconic booze labels. Steven Grasse made a name for himself as not only a distiller but also the mind behind beloved brands like Hendrick's Gin and Sailor Jerry Rum and the guy who made cheap-beer-standbys like Narragansett and Miller High Life cool again. Through his work in advertising and marketing, Grasse has changed the game in the booze world and become an authority on building an authentic, enduring, and deeply beloved brand. Food & Wine has called him "the punk-rock prince of small-batch spirits." So how did he do it? Through practicing brand mysticism, a mentality for all endeavors based on keeping an open mind, taking risks, and developing authenticity—skills that have benefited him in booze, business, and beyond. In this book, he's sharing this practice with the world. Through lessons (big life things that feel like just cool stories), case studies (how did Sailor Jerry become the punk rock Captain Morgan?), and magical ingredients (what makes a great message sing), Brand Mysticism guides you through the steps it takes to channel entrepreneurial spirit into a brand, a business, a creative practice, or a life that breaks with tradition to achieve the remarkable.

maynard james keenan relationships: The Music Sound Nicolae Sfetcu, 2014-05-07 A guide for music: compositions, events, forms, genres, groups, history, industry, instruments, language, live music, musicians, songs, musicology, techniques, terminology, theory, music video. Music is a human activity which involves structured and audible sounds, which is used for artistic or aesthetic, entertainment, or ceremonial purposes. The traditional or classical European aspects of music often listed are those elements given primacy in European-influenced classical music: melody, harmony, rhythm, tone color/timbre, and form. A more comprehensive list is given by stating the aspects of sound: pitch, timbre, loudness, and duration. Common terms used to discuss particular pieces include melody, which is a succession of notes heard as some sort of unit; chord, which is a simultaneity of notes heard as some sort of unit; chord progression, which is a succession of chords (simultaneity succession); harmony, which is the relationship between two or more pitches; counterpoint, which is the simultaneity and organization of different melodies; and rhythm, which is the organization of the durational aspects of music.

maynard james keenan relationships: The Guide to Reflective Practice in Conflict Resolution Michael Lang, 2024-08-22 This book is a commonsense guide to becoming a reflective practitioner, written by a practitioner for practitioners. This second edition is fully revised and updated, incorporating extensive new material emphasizing hands-on tools, worksheets, and guides along with practical advice for those interested in adopting reflective practice individually or in a group setting. It also provides useful resources, step-by-step instructions, and more case studies and commentaries from practitioners. Every person in a conflict resolution process sees the world differently and acts in a distinctive manner. Yet, by following well-developed practice routines, practitioners often fail to consider the unpredictability of human interactions and overlook behaviors that are inconsistent with their expectations. To respond effectively to surprising and unpredictable events, this book encourages practitioners to adapt their thinking, so they can use their knowledge and skills when situations do not match their assumptions or are inconsistent with their practice routines. This book also includes guest essays by Ava Abramowitz, Jodie Grant, Tzofnat Peleg-Baker, and Susanne Terry.
