potent potables jeopardy questions: Brainiac Ken Jennings, 2007-10-30 NATIONAL BESTSELLER • A witty, charming, and engaging dive into trivia's colorful history, from America's highest-earning game show contestant of all time and host of Jeopardy! "Insightful, informative, and written with a strong dose of humor and humility. . . . I loved this book."—Will Shortz, crossword editor, The New York Times Ken Jennings is trivia's undisputed king—and as he traces his rise from anonymous computer programmer to nerd folk icon, he explores his newly conquered kingdom: the world of trivia itself. Trivia, he has found, is centuries older than his childhood obsession with it. Whisking us from the coffeehouses of seventeenth-century London to the Internet age, Jennings chronicles the ups and downs of the trivia fad: the quiz book explosion of the Jazz Age; the rise, fall, and rise again of TV quiz shows; the nostalgic campus trivia of the 1960s; and the 1980s, when Trivial Pursuit® again made it fashionable to be a know-it-all. Jennings also investigates the shadowy demimonde of today's trivia subculture, guiding us on a tour of trivia across America. He goes head-to-head with the blowhards and diehards of the college quiz-bowl circuit, the slightly soused faithful of the Boston pub trivia scene, and the raucous participants in the annual Q&A marathon in Stevens Point, Wisconsin, "The World's Largest Trivia Contest." And, of course, he takes us behind the scenes of his improbable 75-game run on Jeopardy! But above all, Brainiac is a love letter to the useless fact. (Who knew that there's a crater on Venus named after Laura Ingalls Wilder? Ken Jennings, that's who.) Engaging and erudite, Brainiac is an irresistible celebration of nostalgia, curiosity, and geeky obsession—in a word, trivia.

potent potables jeopardy questions: Jeopardy! and Philosophy Shaun P. Young, 2012 Since its debut in 1964, Jeopardy has been one of America's favorite and longest-running daytime quiz shows. It turns the question-answer format of traditional quiz shows on its head and requires contestants to pose correct questions to answers in selected categories. While mining information and facts from Alchemy to Zoology, Jeopardy , is a uniquely intellectual, erudite, and challenging daytime television program. Far beyond entertaining its fans with nail-biting contests of knowledge, memory, and speed, it all but requires them to participate. Few people watch Jeopardy without pressing an invisible button and blurting out questions to their TV screen. Because of this personal and intellectual investment, most Jeopardy fans are devout. Watching the show is valued as a daily ritual in which genuine intellectual skill and encyclopedic knowledge (as opposed to thin Hollywood depictions such as those in Big Bang Theory or Rain Man) are not only respected and placed in the spotlight, but also rewarded with national prestige and prize winnings. Champion Ken Jennings (who contributes to this volume) has won over three million dollars and remained champion seventy-four times. For those who embrace Jeopardy as an intellectual oasis in the arid desert of popular culture, it is the geeks who shall inherit the earth. Jeopardy 's celebration of intellect and forward-thinking is well recognized throughout popular culture and among all age groups. Ken Jennings, Chuck Forrest, and other all-time champions are near celebrities, while the show itself regularly reaches out through special tournaments to different segments of American culture, such as actors and musicians (Celebrity Jeopardy), high-school and college students (Teen Tournament and College Championship Jeopardy) and senior citizens (Senior Tournament Jeopardy). Still, despite its widespread respect and, some might complain, smug self-respect, neither the show nor its fans take themselves too seriously. Jokes about host Alex Trebek's hair and famous parodies of Jeopardy on Saturday Night Live are as familiar as Weird Al Yankovic's MTV-mainstay I Lost on Jeopardy (to the

tune of Our Love's in Jeopardy): Don't know what I was thinkin' of, I guess I just wasn't too bright. Well, I sure hope I do better Next weekend on The Price Is Right.
