

tactics by gregory koukl

tactics by gregory koukl represent a structured approach to engaging in meaningful and respectful conversations about faith, ethics, and worldview issues. Developed by Christian apologist Gregory Koukl, these tactics focus on helping individuals communicate effectively, think critically, and respond thoughtfully in discussions that often involve complex and sensitive topics. The strategies emphasize gentle persuasion, clarity, and the importance of asking insightful questions rather than merely debating or confronting opponents. This article explores the key principles behind tactics by Gregory Koukl, their practical applications, and the benefits of employing these methods in various conversational contexts. Additionally, it highlights how these tactics can foster better understanding, reduce conflict, and promote productive dialogue. The following sections provide an overview of the foundational ideas, specific techniques, and real-world scenarios where these tactics can be effectively implemented.

- Understanding the Foundations of Tactics by Gregory Koukl
- Core Techniques in Tactics by Gregory Koukl
- Applying Tactics by Gregory Koukl in Conversations
- Benefits of Using Tactics by Gregory Koukl
- Common Challenges and How to Overcome Them

Understanding the Foundations of Tactics by Gregory Koukl

The tactics by Gregory Koukl are grounded in principles of respectful dialogue and logical reasoning. At their core, these tactics prioritize asking strategic questions to guide conversations toward clarity and deeper understanding. Rather than focusing on confrontation or winning arguments, Koukl's approach encourages interlocutors to think critically about their own beliefs and to articulate them clearly. This foundation reflects a commitment to humility, patience, and intellectual engagement.

The Philosophy Behind the Tactics

Koukl's philosophy emphasizes that effective communication is more about listening and questioning than about asserting opinions forcefully. The tactics are designed to help individuals lead others to examine their assumptions by gently steering the conversation. This method respects the other person's autonomy while encouraging thoughtful reflection.

Key Principles Guiding the Approach

The foundational principles include:

- **Ask, don't tell:** Using questions to encourage dialogue rather than making blunt statements.
- **Control the conversation:** Guiding discussions without dominating them.
- **Stay calm and respectful:** Maintaining composure to foster a safe conversational environment.
- **Focus on worldview issues:** Addressing fundamental beliefs instead of peripheral topics.
- **Use logic and reason:** Encouraging clear thinking and coherent arguments.

Core Techniques in Tactics by Gregory Koukl

The tactics by Gregory Koukl consist of a set of specific methods designed to facilitate thoughtful and effective conversations. These techniques are practical tools that can be applied in real-time discussions to clarify viewpoints and expose underlying assumptions. They are especially useful in conversations about faith, morality, and philosophy.

The Columbo Tactic

Named after the famous TV detective, the Columbo tactic involves asking a simple, clarifying question that encourages the other person to explain their position more fully. This technique helps identify weaknesses or inconsistencies without confrontation. For example, saying "That's an interesting point; could you explain what you mean by that?" invites elaboration and critical thinking.

The Steamroller Tactic

This tactic addresses aggressive conversationalists by calmly redirecting their energy through questions. Instead of pushing back, one asks, "What do you mean by that?" or "How did you come to that conclusion?" allowing the other person to slow down and reconsider their approach.

The Taking the Roof Off Tactic

This technique involves exposing the logical consequences of a person's statement to reveal its implications. By gently asking, "If that is true, then what does that mean for...?" the conversation partner is guided to see potential contradictions or problematic outcomes.

The Professor's Wedge

Used to separate two linked ideas within an argument, this tactic allows the questioner to address one

point at a time, making it easier to analyze and discuss complex claims without being overwhelmed by multiple assertions.

The Broken Record

This straightforward tactic involves repeating a key question or point calmly and consistently to keep the conversation focused. It prevents the discussion from veering off-topic and encourages persistence without hostility.

Applying Tactics by Gregory Koukl in Conversations

Implementing tactics by Gregory Koukl requires practice and mindfulness. These tactics are adaptable to various conversational contexts, including one-on-one discussions, group dialogues, and public debates. Their effectiveness lies in the ability to remain patient and listen actively while steering the conversation with thoughtful questions.

Using Tactics in Faith-Based Dialogues

In conversations about religion or spirituality, Koukl's tactics help participants explore beliefs respectfully. By asking probing questions, individuals can uncover underlying assumptions and clarify misunderstandings, fostering a more open and honest exchange.

Engaging in Ethical and Moral Discussions

When discussing complex ethical issues, these tactics assist in breaking down arguments into manageable parts. They encourage critical examination of moral principles by inviting people to consider the implications of their views logically.

Handling Difficult or Hostile Conversations

In situations where discussions become heated or confrontational, tactics by Gregory Koukl provide strategies to de-escalate tension. Techniques like the Steamroller and Broken Record help maintain control and keep the dialogue productive rather than combative.

Practical Tips for Effective Implementation

To apply these tactics successfully, consider the following:

- Listen attentively and avoid interrupting.
- Keep questions simple and clear.
- Maintain a calm and respectful tone.
- Be patient and allow time for responses.
- Focus on understanding rather than winning.

Benefits of Using Tactics by Gregory Koukl

Employing tactics by Gregory Koukl offers numerous benefits for individuals engaged in challenging conversations. These methods promote mutual respect, facilitate deeper understanding, and improve communication skills. They help create an atmosphere conducive to learning and reflection.

Enhancing Critical Thinking

By encouraging the use of questions and logical analysis, these tactics foster critical thinking.

Participants become more aware of their reasoning processes and can better evaluate their own and others' viewpoints.

Building Respectful Dialogue

Using these tactics reduces conflict and hostility by emphasizing respect and patience. This creates a safer space for open and honest conversation, which is essential for discussing sensitive or controversial topics.

Improving Persuasion and Influence

Rather than relying on argumentation alone, these tactics help guide others to reconsider their positions through self-reflection. This indirect form of persuasion is often more effective and enduring than confrontation.

Strengthening Relationships

Conversations that employ Koukl's tactics tend to build trust and rapport. Participants feel heard and valued, which can enhance personal and professional relationships.

Common Challenges and How to Overcome Them

While tactics by Gregory Koukl are powerful tools, practitioners may encounter challenges such as resistance, misunderstanding, or emotional reactions. Recognizing these obstacles and learning how to address them is crucial for effective communication.

Dealing with Defensive Responses

When interlocutors become defensive, it is important to remain calm and avoid escalating the situation. Returning to gentle questions and affirming the other person's perspective can help reduce defensiveness and promote openness.

Overcoming Misinterpretations

Misunderstandings can occur if questions are perceived as confrontational. Clarifying intentions and restating questions with empathy can alleviate confusion and keep the conversation on track.

Maintaining Patience in Difficult Dialogues

Patience is essential when conversations do not progress quickly or when resistance is strong. Persistence with kindness and repeated use of the Broken Record tactic can help maintain focus without causing frustration.

Adapting Tactics to Different Contexts

Different conversational settings require flexibility. Adjusting tone, question style, and pacing to suit the audience and context ensures that tactics are applied effectively and respectfully.

Frequently Asked Questions

What is the main focus of Gregory Koukl's book 'Tactics'?

The main focus of 'Tactics' by Gregory Koukl is to equip Christians with practical and respectful strategies for engaging in conversations about their faith and effectively answering challenging questions.

How does Gregory Koukl suggest handling difficult questions about Christianity?

Koukl suggests using gentle, thoughtful responses that clarify the question, redirect the conversation, and prompt deeper reflection rather than engaging in confrontational debates.

What is the 'Columbo Tactic' introduced by Gregory Koukl?

The 'Columbo Tactic' involves asking strategic, thoughtful questions to better understand the other person's viewpoint and gently expose inconsistencies, named after the TV detective who used this approach.

Why does Koukl emphasize asking questions instead of making statements in conversations?

Koukl emphasizes questions because they encourage dialogue, help uncover assumptions, and guide others to think critically about their beliefs rather than feeling attacked.

Can 'Tactics' by Gregory Koukl be applied outside of religious discussions?

Yes, the conversational principles in 'Tactics' such as active listening, asking clarifying questions, and staying calm under pressure can be applied to any challenging dialogue.

What role does patience play in the tactics Gregory Koukl teaches?

Patience is crucial as Koukl encourages listeners to avoid rushing to conclusions or arguments, allowing conversations to unfold naturally and respectfully for more effective engagement.

Does Gregory Koukl recommend memorizing responses in 'Tactics'?

No, Koukl advocates for understanding principles and being adaptable rather than memorizing scripted

replies, emphasizing genuine and thoughtful conversation.

How can 'Tactics' help in responding to skepticism or atheism?

The book provides tools to engage skeptics by asking strategic questions that clarify their position, identify assumptions, and lead them to consider Christian perspectives thoughtfully.

What is one key takeaway from Gregory Koukl's 'Tactics' for new Christians?

A key takeaway is that effective apologetics is not about winning arguments but about respectfully guiding conversations that encourage reflection and understanding.

Where can one find resources related to Gregory Koukl's 'Tactics' for further learning?

Resources including study guides, videos, and podcasts related to 'Tactics' can be found on Stand to Reason's website, the ministry founded by Gregory Koukl.

Additional Resources

1. Tactics: A Game Plan for Discussing Your Christian Convictions

This foundational book by Gregory Koukl offers practical strategies for engaging in conversations about faith without being argumentative or confrontational. Koukl presents a step-by-step approach to help Christians communicate their beliefs clearly and winsomely. The book emphasizes the importance of listening and asking thoughtful questions to guide discussions naturally.

2. Hostile Questions: How to Handle the Tough Queries Christians Encounter

In this insightful work, Koukl addresses some of the most challenging questions skeptics pose to Christians. He equips readers with calm, reasoned responses to common objections about Christianity. The book helps believers remain confident and composed when faced with difficult conversations.

3. Relativism: Feet Firmly Planted in Mid-Air

Koukl tackles the popular philosophical stance of relativism, which claims that truth is subjective and varies from person to person. The book breaks down the logical inconsistencies of relativism and defends the existence of absolute truth. Readers gain tools to challenge relativistic thinking effectively.

4. Making Abortion Unthinkable: The Art of Pro-Life Persuasion

This book provides a compassionate and strategic approach to discussing abortion with those who may be undecided or hold opposing views. Koukl focuses on understanding the perspectives of others and using gentle, thoughtful tactics to present the pro-life position. It serves as a guide for meaningful and respectful dialogue on this sensitive issue.

5. Prayer: Experiencing Awe and Intimacy with God

While not solely focused on tactics, this book by Koukl explores the importance of prayer in the life of a believer. It combines practical advice with theological insights to help readers deepen their prayer life. The book encourages a more intimate and powerful relationship with God through prayer.

6. How to Answer a Skeptic: Practical Tools for Sharing Your Faith

Koukl provides readers with practical tools and techniques to confidently respond to skepticism about Christianity. The book outlines methods for staying calm, asking the right questions, and directing conversations toward meaningful exploration of faith. It's a resource for anyone looking to improve their apologetic skills.

7. The Truth About Jesus: A Conversation with Gregory Koukl

This conversational book delves into the historical and philosophical claims about Jesus Christ. Koukl addresses common doubts and questions about Jesus' life, death, and resurrection. The dialogue format makes complex ideas accessible and engaging for readers.

8. Christianity on Trial: How to Present the Case for Faith

In this book, Koukl teaches readers how to present the Christian faith as a reasonable and evidence-based worldview. He discusses common objections and how to respond with clarity and confidence. The book serves as a primer for effective apologetics in various contexts.

9. *Winning Your Children Over: How to Share Your Faith with Kids*

Koukl focuses on tactics for communicating Christian beliefs to children in a compelling and age-appropriate way. The book offers practical advice for parents and mentors on nurturing faith from an early age. It emphasizes the importance of patience, storytelling, and example in faith discussions with kids.

tactics by gregory koukl: Tactics, 10th Anniversary Edition Gregory Koukl, 2019-11-26
Tactics provides the game plan for defending your faith and artfully communicating the truths of Christianity with confidence and grace. This expanded anniversary edition of the classic book of Christian apologetics includes updates and expansions of existing tactics, as well as the addition of an all-new tactic and a chapter on Mini Tactics filled with simple maneuvers to aid in discussions. In a culture increasingly indifferent or even hostile to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. In Tactics, 10th Anniversary Edition, Gregory Koukl demonstrates how to artfully regain control of conversations, keeping them moving forward in constructive ways through thoughtful diplomacy. You'll learn how to: Meet challenges, questions, and provocations with poise and conviction. Effortlessly start your own evangelical conversations. Present the truth clearly, cleverly, and persuasively. Graciously and effectively expose faulty thinking and logical fallacies. Most important, you'll learn how to get people thinking seriously about Jesus. Drawing on extensive experience defending Christianity in the public square, Koukl will not only walk you through effective arguments to defend why you believe what you believe, but he'll teach you methods for engaging in meaningful dialogue and debate. Step-by-step, you'll learn the tactics of good persuasion and defense, how to identify the tactics of your opponent, and how to build your case, patiently and practically.

tactics by gregory koukl: Tactics Gregory Koukl, 2009 Tired of finding yourself flat-footed and intimidated in conversations? Want to increase your confidence and skill in discussions with family, friends, and coworkers? Gregory Koukl offers practical strategies to help you stay in the driver's seat as you maneuver comfortably and graciously in any conversation about your Christian convictions.

tactics by gregory koukl: Tactics Study Guide plus Streaming Video, Updated and Expanded Gregory Koukl, 2020-08-18 Learn how to defend your faith with confidence and grace in this eight-session, video-based apologetics course (DVD/streaming video sold separately). In a culture increasingly indifferent or even hostile to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. Based on the strategies described in the classic book of Christian apologetics, the Tactics Study Guide will take small groups deeper into how to artfully communicate the truths of Christianity and keep conversations moving forward in constructive ways. This study is highly interactive and includes

extensive teachings and exercises, such as: Step-by-step tactic explanations. Real-world scenarios and challenges. One-on-one breakout sessions. Written responses and personal reflections. The tactical approaches you'll learn in this course will give you indispensable skills to help you engage others about your Christian beliefs—and it may also deepen your own faith along the way. Together with the accompanying Tactics Video Study (sold separately), this guide provides an easy-to-follow, well-reasoned plan for mastering the art of maneuvering in conversations about Christian spirituality and ethics.

He introduces tactics like Columbo, Suicide, and Steamroller, each serving a purpose in dialogue management...

tactics by gregory koukl: *Tactics Study Guide* Gregory Koukl, 2017-04-25 In a world increasingly indifferent to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. In the Tactics Study Guide, apologist and radio host Gregory Koukl demonstrates how to get in the driver's seat in discussions about faith, keeping any conversation moving with thoughtful, artful tact. Readers will learn how to maneuver comfortably and graciously through potential minefields, stop challengers in their tracks, turn the tables, and—most importantly—get people thinking about Jesus with conversations that look more like diplomacy than D-Day. Drawing on extensive experience defending Christianity in the public square, Koukl demonstrates how to: Initiate conversations effortlessly Present the truth clearly, cleverly, and persuasively Graciously and effectively expose faulty thinking Skillfully manage the details of dialogue Maintain an engaging, disarming style even under attack Designed to be used alongside the Tactics Video Study, the Tactics Study Guide provides a game plan for communicating the compelling truth about Christianity with confidence and grace.

tactics by gregory koukl: *Summary of Gregory Koukl's Tactics, 10th Anniversary Edition* Everest Media,, 2022-06-30T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Apologetics, or giving reasons or evidence to support Christianity, has a bad reputation among many believers. It is too easy for skeptics to ignore our facts and deny our claims. But sometimes they don't walk away. They stand and fight. #2 When someone tries to convince you with clever use of words, be careful. That person probably has a weak position. #3 When dealing with people who hold strange beliefs, do not let their ideas lurk in the shadows. Drag their beliefs into the light and make them explicitly clear. This will help you understand their beliefs and arguments better. #4 The tactical approach to conversations is to stay in the driver's seat and direct the discussion. You can do this by asking questions, challenging the other person's beliefs, and exposing their weaknesses.

tactics by gregory koukl: *Tactics Study Kit* Gregory Koukl, 2017-05-09 In a world increasingly indifferent to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. Readers will learn how to maneuver comfortably and graciously through the minefields, stop challengers in their tracks, turn the tables and--most importantly--get people thinking about Jesus with conversations that look more like diplomacy than D-Day. Drawing on extensive experience defending Christianity in the public square, Koukl demonstrates how to: - Initiate conversations effortlessly - Present the truth clearly, cleverly, and persuasively - Graciously and effectively expose faulty thinking - Skillfully manage the details of dialogue - Maintain an engaging, disarming style even under attack Including the Tactics softcover book, study guide, and video study, the Tactics Study Kit provides a game plan for communicating the compelling truth about Christianity with confidence

and grace.

tactics by gregory koukl: Street Smarts Gregory Koukl, 2023-09-12 How to engage in productive conversations with those who challenge your Christian convictions. Gregory Koukl's best-selling book of practical apologetics, *Tactics*, wrote the game plan for discussing your Christian convictions with skeptics. In this follow-up, Koukl—a leader of clear-thinking Christianity—reveals the fundamental flaws in common, current challenges to Christian beliefs and values and provides step-by-step strategies to question and reveal those shortcomings. *Street Smarts* offers model questions and sample dialogues to help guide believers in persuasive conversations about hot-button issues like: Relativism The trustworthiness of Scripture The claims of the Gospel Abortion Marriage, sex, and gender This book will teach you how to tackle those discussions that believers often avoid because they feel out of their element, vulnerable, or exposed. Lucid, well-organized, and easy-to-follow, *Street Smarts* provides a specific set of questions—the same questions Koukl uses in his own encounters—that are embedded in sample mini-dialogues that you can use to have fruitful debates with non-believers.

tactics by gregory koukl: TACTICS STUDY GUIDE WITH DVD, UPDATED AND EXPANDED GREGORY. KOUKL,

tactics by gregory koukl: Tactics Study Guide Plus Streaming Video, Updated and Expanded Gregory Koukl, 2025-06-17 In this updated and expanded study guide with free access to streaming video sessions, master apologist Gregory Koukl introduces viewers to effective ways to defend their Christian faith in conversations with friends, coworkers, and family members.

tactics by gregory koukl: Atheism and the Christian Faith William H. U. Anderson, 2020-10-06 *Atheism and the Christian Faith* is an anthology of the proceedings from a conference of the same name which convened at Concordia University of Edmonton in May 2016. The book represents a wide diversity of subtopics—primarily from a philosophical perspective—including submissions from atheists, agnostics and theists. This combination of topics and perspectives makes the book totally unique. There are arguments for and against theism. The foreword to the book is by Professor Richard Swinburne, Professor Emeritus of Philosophy at Oxford University, who contributes two chapters to the book: “Why Believe That There is a God?” and “Why God Allows Suffering”. The book includes a chapter from renowned astrophysicist, and former student of Stephen Hawkins, Professor Dr. Don Page from the University of Alberta “On the Optimal Argument for the Existence of God”. *Atheism and the Christian Faith* advances arguments around serious philosophical issues of direct relevance to contemporary society. It will be of interest to a broad range of scholars in philosophy, theology and epistemology.

tactics by gregory koukl: Conversations with Jehovah's Witnesses Ron Rhodes, 2014-02-01 An unfamiliar car parks near your house, and two pleasant-looking folks approach your front door. The doorbell rings, and after exchanging pleasantries, your unexpected guests offer you some literature from the Watchtower Society. What will you say? What should you say? Should you engage your visitors in conversation at all? And if so, how? Trusted Bible teacher Ron Rhodes guides you through several realistic dialogues with Jehovah's Witnesses, demonstrating helpful techniques for listening, asking questions, avoiding offense, and more. He includes the information you need to address the big issues, including the New World Translation of the Bible, the divine name, the Trinity, salvation, and the afterlife. With this practical, kindhearted, and easy-to-understand resource, you can actually enjoy discussions about your faith when Jehovah's Witnesses come to call, and you can lovingly guide them to the truth about Jesus Christ.

tactics by gregory koukl: Reviving Our Republic James Boggs, 2023-04-07 Many political books list American societal and political problems but stop short of presenting solutions. Dr. Boggs explains the context and concepts that our Founders applied while structuring our federal system. He then applies those God-centered concepts with credible physical and online sources so the reader can conceptualize solving today's critical problems in America. The author shows you how to evaluate statements on the internet and determine facts on current issues. Then you will be informed as you work to: increase personal morals, strengthen your family, protect your rights, meet

civic responsibilities, improve local schools, assimilate legal immigrants, find and grow with a religious group, and more. You may read specific chapters which apply to problems painful to you or read the full book to greatly increase your participation in, and rewards from, the American way of life. Dr. Boggs describes step-by-step actions you can implement to improve American society while personally growing as a God-centered individual. America gives us significant values: freedom, a way of life, and opportunities for which people still risk their lives to immigrate. If these values disappear, they will be lost forever.

tactics by gregory koukl: Trading Gods Brian Causey, 2021-01-05 A man recounts his investigation into spirituality and into what he really believed about religion following the September 11th terrorist attacks. Suddenly, Brian Causey found himself stumbling over life's greatest questions: Why are we here? How did the universe and life begin? Why is there suffering in the world? What happens after we die? If there is an afterlife, how do I get there? A portfolio manager at a large investment company, Brian would leave the trading floor each day with these questions swirling in his head. What he came to realize was that he had to make a decision: would he trade the god he had been following, under which he could make his own rules, without subscribing to any larger organization or authority? for the "real" God? The more he researched the difficult questions of life; the clearer God's truth became. Brian ultimately concluded that the evidence points in the direction of God's existence. In *Trading Gods*, he shares his personal journey, rationale for faith, and the supporting research that explains why the real God is the best answer to life's biggest questions. "We all serve gods of one sort or another in our life. Brian's story of being a trader who, after the tragedy of 9/11, found his way to the true God of Scripture, is both illuminating and inspiring." —Justin Brierley, editor at Premier Christianity and host of the Unbelievable? radio show and podcast "For both Christian and non-Christian alike, I encourage you to take this journey with Brian. You won't regret it!" —Nate Sala, president, A Clear Lens

tactics by gregory koukl: Relational Apologetics Michael C. Sherrard, 2015-06-24 Defending the Christian faith by demonstrating its reality. Relational Apologetics is about your life becoming a defense of the Christian faith. Every relationship you have is an opportunity for you to connect people to their creator by displaying your hope, both in word and deed. Defending your faith is not just about answering questions and proving that God exists. It is about showing that He is real by the way you live. It is about demonstrating the power of God through your holiness. And it is about drawing people to Jesus through your kindness. Using stories and drawing on personal experiences, Sherrard teaches the importance of holiness, treating skeptics with respect, engaging in authentic conversations instead of shouting matches, and having well thought out answers to the skeptic's questions. The book doesn't delve deeply into the scientific and philosophical arguments for the existence of God and the validity of Christianity. Rather, it provides solid, simple, and easily remembered reasons why one should believe in each. It will also teach essential relational skills that are necessary for talking to skeptics and maintaining healthy relationships with them.

tactics by gregory koukl: The Old School Advantage J. N. Whiddon, 2016-02-16 The Old School founder and acclaimed business author shares the timeless tools and wisdom you need to succeed in today's professional world. In an age where information is everywhere but wisdom is elusive, it takes more than technical skill to stand out. In *The Old School Advantage*, J. N. Whiddon teaches you how to use old-school communication skills, like delivering impactful presentations using ready recall and influencing people with WOW! words and probing questions that make a lasting impression. As Whiddon himself knows, school never lets out—no matter your age. Everyone from young professionals just entering the workforce to seasoned leaders looking to stay at the top of their game can benefit from Whiddon's indispensable tools. Start building a life you love, and a legacy that will endure, with the Old School advantage.

tactics by gregory koukl: Preaching to Convert John Fletcher, 2013-11-13 *Preaching to Convert* offers an intriguing new perspective on the outreach strategies of U.S. evangelicals, framing them as examples of activist performance, broadly defined as acts performed before an audience in the hopes of changing hearts and minds. Most writing about activist performance has focused on

left-progressive causes, events, and actors. Preaching to Convert argues against such a constricted view of activism and for a more nuanced understanding of U.S. evangelicalism as a movement defined by its desire to win converts and spread the gospel. The book positions evangelicals as a diverse, complicated group confronting the loss of conservative Christianity's default status in 21st-century U.S. culture. In the face of an increasingly secular age, evangelicals have been reassessing models of outreach. In acts like handing out Bible tracts to strangers on the street or going door-to-door with a Bible in hand, in elaborately staged horror-themed morality plays or multimillion-dollar creationist discovery centers, in megachurch services beamed to dozens of satellite campuses, and in controversial "ex-gay" ministries striving to return gays and lesbians to the straight and narrow, evangelicals are redefining what it means to be deeply committed in a pluralist world. The book's engaging style and careful argumentation make it accessible and appealing to scholars and students across a range of fields.

tactics by gregory koukl: Stand Up, Stand Strong Sara Barratt, 2022-04-19 If we live according to the gospel, we're going to make waves. Why? Because the way of Christ is countercultural. It doesn't go with the flow, compromise on truth, or stay silent in the face of injustice--so neither can we. No matter how young or old we are, or how much or how little influence we think we have, God calls us to boldly engage our upside-down culture through the lens of his truth. With powerful examples from Scripture and stories from teens today and through the centuries, Sara Barratt equips teens to live with a biblical worldview, approach today's hot-button issues with godly wisdom, and influence their generation for the glory of God. Tackling tough topics like sexuality, addiction, identity, media, and much more, Sara offers practical ways to stay rooted in God's truth while engaging culture with the redemptive story of the gospel--no matter the cost.

tactics by gregory koukl: How to Do Apologetics Patrick Madrid, 2016-07-13 From one of the most respected names in Catholic Apologetics, Patrick Madrid, comes the new book *How to Do Apologetics: Making the Case for Our Faith*. And it couldn't be more timely. Seismic cultural shifts and increased attacks on religious liberty often place Christians in the uncomfortable position of having to defend their beliefs — even their belief in God — when their Faith is called into question by atheists, agnostics, Protestants, or people from other religions. This book is the apologist's toolkit covering all the topics you need to understand and apply Patrick Madrid's own successful approach to giving reasons to believe. Using logic, arguments, and evidence to defend the Truth Apologetics with atheists, moral relativists, and non-Christians Special advice and examples for use with Protestants, as well as lukewarm or inactive Catholics Proven strategies for responding graciously to opponents Making a compelling case for God, Jesus Christ and the Catholic Church What you need to do apologetics well PLUS: Patrick Madrid's recommended books & CDs, and a glossary of key apologetics terms! Patrick Madrid shows how YOU "can demonstrate confidently and effectively that Catholic teaching is reasonable, consistent, and compelling."

tactics by gregory koukl: Understanding the Culture Jeff Myers, 2017-03-01 Addressing issues such as gender identity, abortion, technology, and poverty, Dr. Myers challenges readers to ask: How can an authentic Christian worldview provide a compassionate, effective witness in culture today? Dr. Myers first shows readers what they can learn from Christian history—and why today's issues might not be as new as they seem. Then he takes them through the significant topics that affect them every day, offering biblical ideas for conversing with others in an increasingly hostile culture. This capstone book to a groundbreaking worldview trilogy equips readers to apply a bold Christian witness to their relationships with loved ones, neighbors, and colleagues.
