Location and Facilities

The training center in Burnsville is equipped with indoor and outdoor training areas designed to facilitate various training activities, including obedience commands, agility exercises, and socialization sessions. The clean, spacious environment allows dogs to focus and engage with their

trainers without distractions. This setting is ideal for dogs who require both physical and mental stimulation during their training process.

Mission and Vision

The core mission of Tails Up Dog Training Burnsville Minnesota is to improve the quality of life for dogs and their owners through professional training that promotes understanding, respect, and cooperation. Their vision includes fostering responsible dog ownership and encouraging lifelong learning for dogs and people alike.

Training Programs Offered

Tails Up Dog Training Burnsville Minnesota offers a variety of training programs designed to address different levels of obedience and behavioral needs. These programs are structured to ensure progressive learning and include options suitable for puppies, adult dogs, and dogs with specific behavioral challenges.

Puppy Training Classes

Puppy training focuses on early socialization, basic obedience commands, and housebreaking techniques. These classes are essential for establishing a solid foundation for lifelong good behavior and confidence in young dogs.

Basic Obedience Training

Basic obedience classes cover fundamental commands such as sit, stay, come, heel, and leave it. These sessions help dogs learn self-control and responsiveness, which are critical for everyday interactions and safety.

Advanced Training and Behavior Modification

For dogs that require more specialized attention, Tails Up provides advanced training programs that include off-leash control, impulse management, and addressing problematic behaviors such as aggression, separation anxiety, and excessive barking.

Private Training Sessions

Private one-on-one training sessions are available for personalized instruction tailored to the specific needs and goals of the dog and owner. These sessions allow for flexible scheduling and focused attention.

Expert Trainers and Their Qualifications

The success of Tails Up Dog Training Burnsville Minnesota is largely due to the expertise of its professional trainers. Each trainer is certified and experienced in various canine behavior disciplines, ensuring high standards of instruction and care.

Certified Professional Dog Trainers

Trainers at Tails Up hold certifications from recognized organizations such as the International Association of Canine Professionals (IACP) and the Certification Council for Professional Dog Trainers (CCPDT). These credentials demonstrate their commitment to ethical, science-based training methods.

Continued Education and Specializations

Trainers regularly participate in workshops and seminars to stay updated on the latest training techniques and behavioral research. Some trainers specialize in areas such as agility, therapy dog preparation, or assistance dog training, providing a broad range of expertise.

Training Techniques and Methodologies

Tails Up Dog Training Burnsville Minnesota utilizes positive reinforcement as the cornerstone of their training approach. This humane methodology encourages desired behaviors through rewards, making training an enjoyable experience for dogs.

Positive Reinforcement

This technique involves rewarding dogs with treats, praise, or play when they perform the desired behavior, promoting repetition of that behavior. It avoids the use of punishment, which can lead to fear or aggression.

Clicker Training

Many trainers at Tails Up incorporate clicker training, a method that uses a distinct sound to mark correct behaviors precisely, enhancing communication between dog and trainer.

Customized Training Plans

Recognizing that every dog is unique, trainers create individualized training plans that consider the dog's temperament, age, and specific challenges. This tailored approach increases the effectiveness of the training.

Benefits of Professional Dog Training

Engaging with a professional dog training service like Tails Up Dog Training Burnsville Minnesota offers numerous benefits that extend beyond basic obedience.

- **Improved Communication:** Owners learn how to effectively communicate commands and expectations to their dogs.
- **Behavioral Improvement:** Problematic behaviors such as jumping, chewing, and barking are addressed systematically.
- **Enhanced Safety:** Well-trained dogs are less likely to engage in dangerous situations or escape.
- **Stronger Bond:** Training fosters trust and understanding between dog and owner.
- **Socialization:** Dogs learn to interact appropriately with other dogs and people.

Customer Experiences and Testimonials

Feedback from clients of Tails Up Dog Training Burnsville Minnesota consistently highlights the professionalism, patience, and effectiveness of the training programs. Many owners report significant improvements in their dogs' behavior and overall obedience.

Success Stories

Numerous success stories showcase transformations from unruly or anxious dogs to well-mannered companions, emphasizing the impact of consistent training and expert guidance.

Client Satisfaction

Clients often commend the knowledgeable trainers and the supportive atmosphere, which make the training process positive and rewarding for both dogs and owners.

How to Get Started with Tails Up Dog Training

Starting with Tails Up Dog Training Burnsville Minnesota is a straightforward process designed to assess the needs of the dog and owner before enrolling in the appropriate program.

Initial Consultation

The first step usually involves an evaluation session where trainers observe the dog's behavior, discuss goals with the owner, and recommend a tailored training plan.

Registration Process

Following the consultation, owners can register for group classes or schedule private sessions based on availability and preference. Flexible scheduling options accommodate busy lifestyles.

Ongoing Support

Tails Up offers continued support through follow-up sessions, refresher courses, and resources to maintain training progress and address any emerging issues.

tails up dog training burnsville minnesota: Level Up Your Dog Training Natalie Bridger Watson, 2021-04-20 Level Up Your Dog Training is written for the DIY-minded dog owner who believes in learning by doing. The core of this book is the same pet manners curriculum that I teach to local dog owners every day. As you work through the exercises, you'll train your dog how to sit, lie down, come when called, leave it, stay, settle on a mat, walk politely on a leash, potty promptly when asked and more. And in the process of teaching those behaviors to your dog, you'll pick up a few new skills yourself! You'll learn fundamental concepts of dog training such as the three ways to build any new behavior, how to train effectively with positive reinforcement, how to attach a cue to any behavior, how to level up the difficulty on your dog's skills and all the techniques you'll need to train a totally new trick from scratch without a recipe holding your hand. If you and your dog both do your homework, by the end of the book, you'll know the basics of how to teach a dog anything (some assembly required). Praise for Level Up Your Dog Training Level Up Your Dog Training is an accessible and personable guide for non-professionals to work toward professional results. With warmth and humor, Watson lays out not just step-by-step instructions, but background for why we do it this way. Laura VanArendonk Baugh, KPA-CTP CPDT-KA Author of Fired Up, Frantic, and Freaked Out Author of Social, Civil and Savvy The perfect book for the dog owner who wants to have a well-trained dog and also wants a peek into the science behind efficient training. As a dog trainer, I'm impressed at the seamless way Natalie Bridger Watson weaves together the practical and educational components of training. This is the book I've been wanting to recommend for my students who want to dig a little deeper into the why and how of training. tails up dog training burnsville minnesota: The Koehler Method of Dog Training William R. Koehler, 2016-04-09 For generations, The Koehler Method of Dog Training has been a beacon of wisdom for dog owners seeking effective techniques to build a strong bond with their furry companions. William Koehler's approach, rooted in respect for dogs' intelligence, remains as relevant today as it was when the book first graced the shelves. Koehler believed that dogs could make choices and be held accountable for their behavior. His method follows the pattern of Action → Memory → Desire: dogs act, remember the outcomes, and form desires based on those experiences. Correcting behavior becomes fair, reasonable, and expected once the training has been successfully imparted. In this classic guide, you'll find practical guidance for creating a well-behaved and happy canine companion. From basic obedience to advanced skills, The Koehler Method covers it all. Whether you're a seasoned dog owner or a first-time puppy parent, discover the joy of training your dog using a method that respects their intelligence and fosters a lifelong partnership.
