The main trophy categories include story-related achievements, puzzle completion trophies, collectible trophies, and challenge trophies that test the player's mastery of game mechanics.

### Story-Related Trophies

These trophies are unlocked by progressing through the game's narrative and completing key plot milestones. As Talos Principle 2 emphasizes philosophical storytelling, these trophies often coincide with reaching specific locations or interacting with pivotal game elements. Players should focus on thorough exploration and engaging with all story elements to secure these trophies.

## **Puzzle Completion Trophies**

Puzzle completion trophies require players to solve a set number of puzzles or complete entire puzzle areas. ## **Challenge and Skill-Based Trophies**

While some trophies require avoiding hints, using these aids strategically can save time during initial puzzle attempts.
