tampa bay coaches history: *Tomlin* John Harris, 2023-11-21
In 2007, at the age of thirty-four, Mike Tomlin was hired as the head coach of the Pittsburgh Steelers. Replacing Hall of Famer Bill Cowher—and two years removed from the team's Super Bowl XL victory—there was immense pressure on the first-year head coach, who many fans and those in the media were largely unfamiliar with. After five seasons as an assistant for the Tampa Bay Buccaneers and a single season as the defensive coordinator for the Minnesota Vikings, the hiring came as a surprise to many. From his first day at the helm, numerous questions began to be asked: Was this young coach able to lead a

veteran team that still had championship hopes? Could the newly hired, soft-spoken coach be able to fill the shoes of the great Cowher, known for being brash and outspoken? Was his hiring based solely on the “Rooney Rule”—named after Steelers owner Dan Rooney—which states that every team must interview at least one minority candidate for their open head coaching position? Not only did Tomlin rise above the questions and criticism about his credentials, he continued the franchise’s reputation of excellence. The youngest coach to win a Super Bowl in only his second season at the helm, Tomlin has yet to have a losing record in sixteen seasons with the team. He is also the second-most tenured head coach in the league, only behind Bill Belichick of the New England Patriots. But the question still unanswered is, who is Mike Tomlin? Known for giving little to the media and keeping his thoughts and opinions private, those outside the locker room and Steelers offices know little about the future Hall of Fame coach. Even as one of the most successful African American head coaches in NFL history, and one that has handled numerous locker room “personalities” over the years, much of what is written and reported about the coach is only above the surface. That’s where John Harris comes in. A veteran journalist who covered Tomlin’s hiring for the Pittsburgh Tribune-Review, Harris works to pull back the curtain on the mystique behind this “coaching unicorn.” Beginning with his days as a wide receiver at William & Mary, his several years in the college coaching ranks, to getting hired by Hall of Fame coach Tony Dungy with the Buccaneers and his single season with the Vikings, Tomlin shares how a young man from Hampton, Virginia, was able to establish himself as a leader of men in a business with so much turnover, earned the respect from his peers and players, and has continued to be someone that is looked up to by so many in the league. With interviews from former players, coaches, and executives, Harris lets readers in on what it’s like to play for Tomlin, why he is (or is not) beloved in Pittsburgh, and how his continued success has helped change the landscape of what NFL franchises look for in hiring a head coach. All from a man that chooses to give all the success to his players and coaches—past and present—than take it for himself: exactly what every franchise hopes for from the leader of their team.

tampa bay coaches history: The Addiction That Drove Me Henry Bibby, Douglas T. Branch, 2020-11-15 Henry Bibby has been a winner his entire life. From three consecutive NCAA men's championships as the point guard for legendary Coach John Wooden's UCLA Bruins, to a contributor off the bench for Red Holzman's 1973 world championship New York Knicks, and winning a CBA title in 1989, while also leading the USC Trojans to the Elite Eight in 2001 as a head coach. However, the impetus for writing this book was not to list his myriad accomplishments in basketball that spans over a half century but to pay homage to the people who helped on his sojourn-family, coaches, teammates, and teachers. He hopes to enlighten the next generation of basketball coaches

to avoid some of the pitfalls he experienced. With the coauthor, Douglas T. Branch, who came aboard on the recommendation of Hall of Fame National Basketball columnist Peter Vecsey, the pair conducted hours of interviews. Henry cultivated a tireless work ethic growing up on the family's modest farm in rural North Carolina and needed it, as he traversed the globe after his playing days. Coaching at basketball outposts abroad, such as Pico, Puerto Rico; Venezuela; Winnipeg; and most of the lower forty-eight, from Oklahoma City to Savannah, Georgia. He persevered partly for the love of the game and necessity. Finally, he had a modicum of security at USC for parts of nine seasons, then the WNBA's Los Angeles Sparks, and as an assistant coach for three NBA teams (Philadelphia, Memphis, and Detroit). His desire to still coach never wanes. Anyone who is a fan of the rich history of basketball will be interested to hear his thoughts on basketball, past and present, and the broaching of subjects from family to religion.

tampa bay coaches history: One Town, One Team Bruce Bertrand, 2023-01-26 When third-year football coach Sherm Blaser walked into his first team meeting for the upcoming season he asked the team what their team goal should be for the upcoming season. The first hand that went up was that of senior defensive lineman Benten Hall, who suggested a winning season would be an appropriate team goal. A winning season might not seem like a lofty goal, but it is certainly a practical one. The previous year the Kavemen did go 5-4 but finished sixth in conference play and did not make the playoffs. Benten's sophomore and freshman years those varsity teams went a combined 7-12. In fact, since Benten and his fellow seniors on the team started the first grade eleven years ago the Kuna football teams have a combined record of forty-three wins and sixty-two losses. The football program has not won a conference championship since 1998 and has won just one playoff game this century! Blaser was not seen as the savior of this program when he was hired two years before. Before coming to Kuna his record was 15- 21 at two previous schools. In his two previous years on the Kuna campus, his record was only 8-10. So how could this team, led by this coach, make it all the way to the state championship game? Fortunately for me, my son Ryan, who was starting his fourth season as part of Sherm Blaser's coaching staff and was living with me as he was finishing his master's program in psychology, so I had a front-row seat to this amazing season.
