tea dragon society characters: *How to Write Cozy Fantasy with the Three-Act Structure* Ana Mafalda Damião, This book is a practical, welcoming guide to writing cozy fantasy stories using the classic three-act structure. Across its nine chapters, it lays out a framework that blends warmth, community, and gentle magic with the clarity of solid storytelling principles. You'll explore how the notion of "cozy" emerges from intimate settings, amiable relationships, and a sense of safety—even when small conflicts or subtle tensions arise. By following a clear progression—from understanding the roots of the three-act structure, through designing immersive, comforting locations, to creating kindhearted yet believable characters—you'll discover the essential ingredients for crafting narratives that make readers feel at home in a magical world. The presence of faerie beings and folklore adds yet another layer of quiet enchantment, transforming the everyday into something delightfully tinged with wonder. Practical sections show you how to apply the material directly. You'll learn ways to structure your plot so that each act flows gently, while still giving readers a reason to turn the page.
