point of view, the Famous Feud ended in July 2016. In June 2017 I was convinced that Taylor Swift was the victim (for the second time) of Kanye West. In October 2023, after I have updated the entire research on the Famous Feud, the original conclusion did not change. I created this edition to include everything I wrote about the Famous Feud. It is an edition for people interested in reading the entire Famous Feud story from A to Z. The Famous Feud Project report has two parts: Part 1. Music in Black and White: A Journey Behind the Musical Notes; Part 2. On the Famous Feud. Enjoy your reading!

taylor swift grammys speech: On the Famous Feud Casian Anton, 2023-07-16 In this report I investigated the Famous feud between Kim Kardashian, Kanye West and Taylor Swift from 10 points of research. This report was born out of the urgent need to provide clearer, more transparent information and better-founded examples to explain the Famous feud in a different way than what Kim Kardashian, Kanye West and Taylor Swift offered through music, interviews and other media content. This report explored the background strategies of Kanye West, Kim Kardashian and Taylor Swift to maintain popularity and fame in an ever-changing world: sacrifices, intelligence, methods of communications, side effects and a minimal view of the efficiency of their strategies in the long term. I'm gonna let you finish reading it, but 'On the Famous Feud' it is a unique and original investigation, there is no other research which explores this feud on various levels; at the time of publishing, this report is the most advanced analysis of the Famous feud.
