taylor swift eras tour quiz: *Q&A* Adrian Tomine, 2024-10-15 Everything you wanted to know about storytelling or Adrian Tomine but were too afraid to ask "That would've been too easy and spontaneous for me, and I had to find a way to make everything more complicated." And yet for over thirty years, bestselling author, screenwriter, and New Yorker cover artist Adrian Tomine's work has set the standard for contemporary storytelling. With Tomine, his readership has grown from the dedicated following of his comic-book series *Optic Nerve* to include a wider but still engaged, opinionated, and ever-inquiring public. And now, for the first time in print, Tomine responds to his readers directly, tackling their questions and comments with generosity, humor, and vulnerability. *Q&A* is one part personal history, one part masterclass in crafting quality entertainment. With questions pulled from his time at the Substack Writers' Residency, and with additional, new

material, Q&A is an indispensable addition to the collections of eagle-eyed fans and aspiring artists, writers, and cartoonists alike. Tomine answers questions about his preferred tools, his creative process, the ups and downs of adaptation, and perhaps most importantly—how to pronounce his last name. Illustrated with drafts, outtakes, and photos from the artist's personal collection, this rare peek into the mind of a contemporary cartooning giant lays out the method to his meticulous brand of madness. The artist looks back on his career in response to queries from his—maybe adoring but mostly curious—public with his signature dry wit and unflinching, self-deprecating honesty.
