

# tasting my own medicine

**tasting my own medicine** is a phrase commonly used to describe experiencing the consequences of one's own actions, especially when those actions were previously directed at others. This idiom carries significant weight in various contexts, including personal relationships, professional environments, and even legal or ethical discussions. Understanding the origins, meanings, and applications of tasting my own medicine can provide valuable insights into human behavior and social dynamics. This article explores the phrase's definition, historical background, psychological implications, and practical examples. Additionally, it offers guidance on how encountering one's own consequences can foster growth and improve interpersonal interactions.

- Definition and Origin of Tasting My Own Medicine
- Psychological and Social Implications
- Practical Examples in Everyday Life
- Benefits and Challenges of Tasting One's Own Medicine
- Strategies for Positive Outcomes

## Definition and Origin of Tasting My Own Medicine

The phrase tasting my own medicine essentially means receiving the same treatment or experiencing the same negative effects that one has previously inflicted on others. It is often used in situations where someone who has acted unfairly or harshly towards others faces similar treatment themselves. The idiom is metaphorical, drawing from the literal idea of taking medicine intended to cure or punish.

## Historical Background

The origin of the phrase dates back to ancient times when medicine was often bitter and unpleasant, yet necessary for healing. The expression evolved to imply that if someone administered an unpleasant remedy to another, they might eventually need to endure the same remedy. Over time, this concept was adapted into a broader metaphor for experiencing the consequences of one's own actions.

## Common Usage and Variations

Tasting my own medicine is frequently used in everyday language, literature, and popular culture. Variations of the phrase include "getting a taste of one's own medicine" or simply "getting one's

comeuppance." These expressions emphasize the idea of reciprocal justice or karmic retribution.

## **Psychological and Social Implications**

Experiencing the effects of one's own behavior can have profound psychological and social consequences. It often serves as a wake-up call, promoting self-awareness and empathy by allowing individuals to understand how their actions impact others.

### **Impact on Emotional Intelligence**

Tasting my own medicine can enhance emotional intelligence by encouraging individuals to recognize and regulate their emotions. When someone experiences the negative consequences of their behavior, it can lead to increased empathy and improved interpersonal skills.

### **Role in Social Dynamics**

In group settings, this concept can influence social cohesion and accountability. When members of a community or organization face repercussions for their actions, it reinforces social norms and ethical behavior, contributing to a healthier environment.

## **Practical Examples in Everyday Life**

The principle of tasting my own medicine manifests in numerous real-world scenarios, ranging from personal relationships to workplace interactions. These examples illustrate how the idiom operates in practical terms.

### **Personal Relationships**

In friendships or family dynamics, someone who habitually criticizes others may eventually face criticism themselves, leading to a better understanding of how hurtful such behavior can be. This reciprocal experience often motivates change and reconciliation.

### **Professional Environments**

In the workplace, managers who impose unreasonable demands or unfair policies might later encounter resistance or challenges when placed in similar positions. This can promote more equitable leadership and improved organizational culture.

## Legal and Ethical Contexts

Within legal frameworks, tasting my own medicine can be seen in the enforcement of laws where individuals or entities who violate regulations face penalties similar to those they might have imposed on others. This reinforces justice and deterrence.

## Benefits and Challenges of Tasting One's Own Medicine

While experiencing the consequences of one's actions can be beneficial, it also presents certain challenges. Understanding both aspects is crucial for appreciating the full impact of this concept.

### Benefits

- **Promotes Accountability:** Encourages individuals to take responsibility for their actions.
- **Enhances Empathy:** Increases understanding of others' feelings and perspectives.
- **Supports Personal Growth:** Motivates behavioral change and self-improvement.
- **Reinforces Social Norms:** Maintains fairness and ethical standards within communities.

### Challenges

- **Potential for Resentment:** Receiving negative treatment can lead to bitterness or defensiveness.
- **Risk of Escalation:** Tit-for-tat behavior might escalate conflicts rather than resolve them.
- **Emotional Distress:** Experiencing harsh consequences can cause stress or anxiety.

## Strategies for Positive Outcomes

To maximize the benefits and minimize the drawbacks of tasting my own medicine, it is important to approach such experiences with constructive strategies.

## **Reflection and Self-Assessment**

Engaging in honest self-reflection helps individuals understand the reasons behind their actions and the impact on others. This can lead to meaningful change rather than mere reaction.

## **Open Communication**

Discussing experiences openly with others can prevent misunderstandings and foster mutual respect. It encourages dialogue instead of retaliation or ongoing conflict.

## **Practicing Forgiveness**

Forgiving oneself and others after experiencing or administering difficult consequences promotes healing and prevents long-term resentment.

## **Seeking Support**

Professional guidance, such as counseling or mediation, can assist in managing the emotional aspects of tasting one's own medicine, facilitating positive transformation.

## **Frequently Asked Questions**

### **What does the phrase 'tasting my own medicine' mean?**

The phrase 'tasting my own medicine' means experiencing the consequences of one's own actions, especially when those actions are negative or harmful to others.

### **Where does the expression 'tasting my own medicine' originate from?**

The expression originates from the idea of taking medicine prescribed to oneself, implying that if someone has caused harm or trouble, they should experience the same treatment.

### **Is 'tasting my own medicine' always used in a negative context?**

Not always. While it often refers to facing negative consequences, it can also mean experiencing something oneself to understand it better, which can be positive or neutral.

## **Can 'tasting my own medicine' be related to personal growth?**

Yes, it can lead to personal growth by providing insight into the effects of one's behavior and encouraging empathy and change.

## **How can 'tasting my own medicine' be applied in the workplace?**

In the workplace, it can mean experiencing the outcomes of one's leadership style or decisions, helping individuals understand the impact they have on colleagues.

## **Is there a difference between 'tasting my own medicine' and 'what goes around comes around'?**

Yes, 'tasting my own medicine' is more about personally experiencing the effects of one's actions, while 'what goes around comes around' refers to the idea of karma or eventual consequences happening to anyone.

## **Can 'tasting my own medicine' be used humorously?**

Yes, people sometimes use it humorously when they face minor annoyances they used to cause others.

## **How does 'tasting my own medicine' relate to accountability?**

It emphasizes accountability by highlighting that individuals should face the consequences of their own actions.

## **Are there any similar phrases to 'tasting my own medicine' in other languages?**

Yes, many cultures have similar sayings, such as the Spanish phrase 'probar de su propia medicina,' meaning to try one's own medicine.

## **How can understanding 'tasting my own medicine' improve relationships?**

By recognizing the impact of one's actions through personal experience, individuals may develop greater empathy and make more considerate choices, improving relationships.

## **Additional Resources**

### *1. Tasting My Own Medicine: A Journey of Self-Discovery*

This memoir explores the author's transformative experience when faced with the consequences of their own actions. Through a series of personal trials and reflections, the book delves into themes of accountability, growth, and redemption. Readers are invited to witness how confronting one's own

“medicine” can lead to profound change.

## *2. Bitter Pills: Learning from Life's Lessons*

This self-help book offers practical advice on embracing the difficult lessons life hands us, often through our own mistakes. It emphasizes the importance of taking responsibility and using setbacks as opportunities for growth. The author combines psychology and real-life anecdotes to illustrate how tasting your own medicine can be a catalyst for improvement.

## *3. The Medicine I Swallowed: Stories of Karma and Consequence*

A collection of short stories highlighting how characters face the repercussions of their actions, often in unexpected ways. Each narrative illustrates the principle of “what goes around comes around,” showing the complexities of human behavior and justice. The book invites readers to reflect on the moral lessons embedded in everyday experiences.

## *4. Swallowing the Bitter Truth: Embracing Accountability*

This motivational guide encourages readers to confront their faults and accept the outcomes of their decisions. It provides strategies for developing resilience and turning negative experiences into positive growth. The author argues that true strength comes from owning one's medicine rather than avoiding it.

## *5. Medicine for the Soul: Healing Through Self-Reflection*

Focusing on emotional and spiritual healing, this book discusses how facing uncomfortable truths about oneself can lead to inner peace. It combines mindfulness practices with storytelling to help readers understand the value of self-awareness. The narrative encourages a compassionate approach to personal accountability.

## *6. The Taste of Justice: When Actions Come Full Circle*

This legal thriller centers on a protagonist who must confront the fallout of their unethical decisions. Through suspenseful storytelling, the book explores themes of justice, retribution, and moral dilemmas. It highlights how tasting one's own medicine is often inevitable and necessary for true justice.

## *7. Lessons in the Medicine: A Parent's Guide to Teaching Responsibility*

A practical handbook for parents aiming to instill accountability in their children. The author shares effective techniques for helping kids understand the consequences of their actions in a supportive environment. The book emphasizes the importance of learning through experience, including tasting one's own medicine.

## *8. Swallowing Your Own Medicine: The Art of Constructive Criticism*

This book delves into the dynamics of giving and receiving criticism, advocating for openness and humility. It teaches readers how to accept feedback gracefully and use it as a tool for personal and professional development. The concept of tasting your own medicine is framed as a pathway to self-improvement.

## *9. The Medicine You Take: Navigating the Consequences of Choice*

A philosophical exploration of decision-making and its repercussions, this book examines how every choice carries a form of “medicine” that must be taken. It discusses ethical considerations and the balance between free will and responsibility. Readers are encouraged to thoughtfully consider their actions and embrace the outcomes.

**tasting my own medicine: Husband Auditions** Angela Ruth Strong, 2021-08-17 How far would you go to find the perfect husband? All the way back to the 1950s? In a world full of happily-ever-after love, Meri Newberg feels like the last young woman on the planet to be single, at least in her Christian friend group. So when she's handed a strange present at the latest wedding--a 1950s magazine article of ways to get a husband--she decides there's nothing to lose by trying out its advice. After all, she can't get any more single, can she? Her brother's roommate sees the whole thing as a great opportunity. Not to fall in love--Kai Kamaka has no interest in the effort a serious relationship takes. No, this is a career jump start. He talks Meri into letting him film every silly husband-catching attempt for a new online show. If it goes viral, his career as a cameraman will be made. When Meri Me debuts, it's an instant hit. People love watching her lasso men on street corners, drop handkerchiefs for unsuspecting potential beaus, and otherwise embarrass herself in pursuit of true love. But the longer this game goes on, the less sure Kai is that he wants Meri to snag anyone but him. The only problem is that he may not be the kind of husband material she's looking for . . . With droll comic timing, unbeatable chemistry, and a zany but relatable cast of characters, Angela Ruth Strong has created a heartfelt look at the reality of modern Christian dating that readers will both resonate with and fall for.

**tasting my own medicine: The Classical Tradition** Anthony Grafton, Glenn W. Most, Salvatore Settis, 2010-10-25 A vast cabinet of curiosities.-Stephen Greenblatt Eclectic rather than exhaustive, less an encyclopedia than a buffet.-Frederic Raphael, Literary Review How do we get from the polis to the police? Or from Odysseus's sirens to those of an ambulance? The legacy of ancient Greece and Rome is all around us, imitated, resisted, reworked, and misunderstood. In this beautifully illustrated and encyclopedic compendium, a team of leading scholars investigates the afterlife of this rich heritage in the fields of literature, philosophy, art, architecture, history, politics, religion, and science. From Academy to Zoology, Aristotle and the Argonauts to Pegasus and Persia, The Classical Tradition looks at facts and adages, people, places, and ideas to reveal how the Classical tradition has shaped human endeavors from government to medicine, drama to urban planning, legal theory to popular culture. At once authoritative and accessible, learned and entertaining, it illuminates the vitality of these enduring influences.

**tasting my own medicine: Transformed** Remi Adeleke, 2019-05-14 What would it take for one young Black man not only to rise above statistics but also become a Navy SEAL, actor, entrepreneur, writer, and successful husband and father? In Transformed, Remi Adeleke takes you back to stories from his childhood, from living as Nigerian royalty to losing his father early in life and being stripped financially of everything by the Nigerian government. Following his father's death, he and his mother and brother relocated permanently to the Bronx where his single mother struggled to provide for the family. Statistics tell us that African American males who grow up in a single-parent household are nine times more likely to drop out of high school and twenty times more likely to end up in prison than any other demographic. While it would have been easy to believe that he could never beat those odds, Remi Adeleke refused to fall victim to that premise. Sharing his incredible

journey through the struggles of his life, Remi doesn't shy away from his illegal activities as a young man that threatened to derail his future as a Navy SEAL. He shares: How perseverance transformed his life despite all odds How taking ownership of his mistakes and shortcomings led him to success His hard-earned wisdom gained over years of struggle Belief that the adversities, trials, and tribulations he went through were specific moves by God At every turn, including throughout his naval career, Adeleke found a way to overcome the odds, even when it didn't make sense. Remi Adeleke's journey of following God's voice, rising above statistics, and experiencing true personal transformation will inspire and move you.

**tasting my own medicine: Blood Brothel** Liza Street, 2021-09-13 Caught by the curse of a faithless fae, Gracie's posse can't say no to a mysterious bounty that takes them deep into the territory of their nightmares. Everyone's heard of Saintsville because of Stolen Roses, the brothel that caters to every desire. But it turns out Saintsville isn't just the town that hosts Stolen Roses—it hosts all manner of nightmares, plaguing the dreams of locals and visitors alike. And somehow, Gracie Boswell and her posse have to wrangle the truth from those nightmares in order to find a missing outlaw and untwist Gracie's curse. Between navigating a new relationship with one of her posse, sending messages back to her fickle fae client, and trying to sleep when every dream is filled with terrors, Gracie will need to keep her grip tight on not only her heart, but her six-shooter. USA Today best-selling author Liza Street adds a thrilling new installment to her western gothic series. Pick up your copy of Blood Brothel and join the posse for another wild ride through the dark and dangerous west! **tasting my own medicine: Risky Business** Kelsie Rae, 2022-01-10 Yes, I climbed into Jake Jensen's lap and kissed the crap out of him in a crowded bar to make my ex jealous. Yes, I lied to my family and told them I'm in a relationship with the guy, even though he doesn't know my name or my family's connection to one of the hottest software companies in the US. Yes, I'm now on my way to convince him to be my fake boyfriend for my father's company retreat in exchange for...whatever the heck he wants if it'll get me out of this mess. And no, I'm most definitely not interested in his smoldering eyes or the way his hands feel against my body. Because whatever's burning between us? It isn't real. We're both a means to an end. And there's no convincing me otherwise.

**tasting my own medicine: Come on Man** Tony "Jabez" Hardy, 2012-12-11 Come on Man by Tony Jabez Hardy is the last time you will be lost in chaos ever again. This is the first book of four that will open your eyes to the things that have had you blind, and bound as slaves. It exposes things you never would have imagined leaving you saying, That's it? This is why my life is in turmoil, this is why my children are this way? This is why I keep getting in dead end relationships, taking jobs that lead me nowhere? This is the answer to all those questions left un-answered. Eliminate negative thinking Get into everlasting relationships Dispell the myths and lies this world has fed you. Renew your thought process and your mind, and live the way God intended you to live. Like royalty able to adapt and overcome live in victory in every are of your life. This is revelation the people who know didn't want to get out. Why? Because it works!

**tasting my own medicine: Because of Savannah** Sarah Patt, 2015-07-09 Dakota Buchannan believes there can be nothing worse in life than losing her mother until her father suddenly dies, leaving her orphaned at sixteen. As she attempts to muddle her way through the funeral, Dakota is introduced to a man twice her age who looks remarkably like her father. Moments later, it is revealed that Luke is the son her father never knew he had and her brother. Luke invites her to join his family with the option of returning to Fort Worth to live with her bachelor uncle if she is not happy. Despite influence from Luke's narcissistic wife, it does not take long before their adorable four-year-old daughter, Savannah, captivates Dakota. As things begin looking up for Dakota, she meets a college graduate at a barbeque, setting off fireworks in her love life. But when her uncle falls victim to a near fatal hit-and-run, Dakota is compelled to revisit her old home where the past collides with the present as she comes face-to-face with a killer and a shocking secret. In this gripping story, an orphaned teenager is led down an unexpected path through pain, fear, and danger

to the eventual realization that everything in life happens for a reason.

**tasting my own medicine:** *Captivating Short Stories* Deborah Anna, 2024-05-06 These are a compilation of short stories that are intriguing and captivating. Each story is designed to keep you at the edge of your seat and at the same time allow you to dive into your imagination. Some stories will leave you waiting and wanting more!

**tasting my own medicine:** *Autumn Leaves the Mindspace* Bruno Messina, 2014-05-05 Using an experimental hallucinogen to take him through the inner workings of his own mind, main character Jack goes on a wild trip to fix the broken pieces of himself. He encounters archetypes that are sick and need mending. He seeks the common thread that caused the rupture and realizes how to heal his tormented mind. A perfectly unfinished, unpolished first novel written in free-thought stream of consciousness, this story explores the psyche like no other.

**tasting my own medicine: Why Always Me? - The Biography of Mario Balotelli, City's Legendary Striker** Frank Worrall, 2013-01-31 Mario Balotelli is already a footballing legend - and he's only 22. Incredibly talented, yet frequently controversial both on and off the pitch, Balotelli lit up the Premier League from the moment he signed for Manchester City in 2010. Born in Italy to Ghanaian parents, he suffered life-threatening health problems as a baby. By the age of three he had recovered, but his parents then entrusted him to a foster family and Mario grew up in the affluent village of Concesio. He began his footballing career with Lumezzane, earning promotion to the first team at the age of just 15. Balotelli's skill soon brought him to the attention of Inter Milan and he signed with them in 2006. Having made his first team debut in 2007, he became the youngest Inter player to score in the Champions League in November 2008. His second season at Inter was blighted by disciplinary problems, and a series of high-profile clashes with manager Jose Mourinho paved the way for a move to the Premier League. Reunited with former boss Roberto Mancini at Manchester City, Balotelli soon made his mark with a series of stunning goals - and yet more incidents - which led to him being the subject of increasingly implausible newspaper reports about his antics. But the 2010/11 season was to end in glory, with a man-of-the-match performance as City won the FA Cup. A stunning performance in the Euro 2012 semi-final against Germany sealed Balotelli's status as a legend. This was eclipsed in the final game of the 2011/12 Premier League season, when Balotelli provided the assist to Sergio Aguero, who scored in the 94th minute to give City their first league title since 1968. He is sure to provide entertainment, goals and controversy for years to come. Mercurial, troublesome and frequently brilliant, this is the incredible story of the most fascinating man in world football today.

**tasting my own medicine: Vanessa Kelly Bundle: My Favorite Countess, Sex and the Single Earl, Mastering the Marquess** Vanessa Kelly, 2011-05-01 Mastering the Marquess Praise for Vanessa Kelly and Mastering the Marquess A rare gem. --Julianne MacLean, USA Today bestselling author Fast paced and difficult to put down. --Romantic Times A delectable treat. --Sharon Page, author of The Club Since the loss of her parents, Meredith Burnley has contented herself with a solitary life looking after her half-sister, Annabel. But Meredith's peace is shattered when her uncle schemes to marry her off to his son in order to gain her inheritance. Desperate, Meredith has only one choice: to flee with Annabel to their estranged grandparents' home. But their arrival soon reignites a family scandal--and kindles unexpected romance. . . Happily reunited with the girls, Annabel's grandmother resolves to convince her nephew, Stephen Mallory, the Marquess of Silverton, to abandon his rakish lifestyle and wed Annabel. Stephen is clearly captivated--but with the wrong sister! Determined to make Meredith his own, Stephen embarks on a seduction that will leave her with no choice but to

surrender to his touch. . . Sex and the Single Earl Praise for Vanessa Kelly and Sex and the Single Earl A sensual treat! -Anna Campbell Successfully marrying the tart wit of a traditional Regency romance with the steamy passion of today's Regency historicals isn't easy, but Kelly proves to be more than capable. -Booklist Guaranteed to satisfy even the most passionate romance reader. --Teresa Medeiros, New York Times bestselling author of *The Devil Wears Plaid* Their marriage was convenient. . . Simon St. James, fifth Earl of Trask, knows he could do worse in the marriage of convenience department. Sophie Stanton may be a bit of a social liability, with her ungovernable ways and flighty nature, but Simon has responsibilities as an earl that far outweigh happiness in the household. And as for happiness in the bedroom. . .he has to admit he sees Sophie's potential in that arena. . . Their passion was not! But Sophie isn't some bargaining chip to be traded, and she's not about to let Simon St. James tell her how to live her life--even though she has nurtured a crush on the handsome young earl for as long as she can remember. If his idea of courtship is telling her what to do, then she is not interested, or at least she is trying not to be. But when his scolding words turn to scorching kisses, suddenly Sophie starts paying attention. . . My Favorite Countess She is difficult, demanding, and at times, quite fierce. And Dr. John Blackmore can't take his eyes off her. The Countess of Randolph is the most striking woman he has ever seen. . .and the most infuriating patient he has ever tended. Mired in responsibility, Bathsheba doesn't have time to convalesce in the country. She should be in London, hunting for a wealthy new lover to pay off her late husband's vast debts, not dallying with a devastatingly handsome doctor. But it is only a matter of time until the good doctor and the obstinate countess will have to contend with the sparks that fly between them. And once their bodies surrender, their hearts may follow. . .

**tasting my own medicine: *Hard Times in the Country*** Timothy L. Wahl, 2009 Timothy Wahl grew up on a dairy farm in the town of Andover, New York. A restless youth who hangs out with other farm boys dreams big and is bound and determined to make his mark on the world. But reality is a wet blanket. He not only feels out of place but IS out of place. He scores mediocre grades, plays sports clumsily, and contemplates without much success a future of fanfare and celebration. One of the few places where he feels like he belongs is in Mr. MacCrae's art class, which also serves as a dumping ground for miscreants and the troubled. No one knows just how troubled Timothy is until the summer of his senior year. If Timothy has any chance of overcoming his troubles and finding his place in the world, he'll have to find answers in uncommon places, and most importantly grow up. His life depends on it. Join Timothy as he finds adventure in a world where girls love The Beatles, neighbors still know each other, and where roots run deep. The good life may be just around the bend, but for now, it's *Hard Times in the Country*.

**tasting my own medicine: *The Anyones Part I*** Mizz Mary, 2024-12-08 She thought she understood the world. Then her own mistakes shattered that illusion. Seventeen-year-old Mia is privileged, sheltered, and completely unprepared for the chaos about to hit her life. In 1995, the Republic of Slagmark is heading into a tense national election, and while the country moves toward unrest, Mia's own world begins to crumble. One reckless choice after another pulls her into unexpected dangers, strange events and shifting realities, and a growing awareness of things she was never taught to question. With a controlling family, unreturned love, and a rival who wouldn't notice her even in an empty room, Mia is forced to navigate personal turmoil with no easy way back. Set in a fictional country torn by division, *The Anyones* is the first novel in a slow-burn, character-driven coming-of-age trilogy. It blends magical realism with political fiction, exploring themes of privilege, identity, family pressure, and emotional growth. Magical, but not fantasy. This is a literary coming-of-age story for readers who value flawed characters, social commentary, emotional depth, and stories that challenge easy answers. Content advisory: This novel includes references to harassment, discrimination, sexual assault, and political violence. While not depicted in graphic detail, these themes are present and may be distressing for some readers.

**tasting my own medicine: *Remember Me*** Mario Escobar, 2020-09-15 Amid the shadows of war, one family faces an impossible choice that will change their lives forever. From bestseller Mario Escobar comes a 20th-century historical novel of sacrifice and resilience inspired by Spain's famed

Children of Morelia and the true events that shaped their lives. Madrid, 1934. Though the Spanish Civil War has not yet begun, the streets of Madrid have become dangerous for thirteen-year-old Marco Alcalde and his two younger sisters. Marco's parents align themselves against the new fascist regime, unaware that their choice will endanger the entire family--nor do they predict the violence that is to come. In a desperate bid for safety, the Alcaldes join many other Spanish families in making an impossible choice to send their unaccompanied children across the ocean to the city of Morelia, Mexico--a place they've never seen or imagined, but whose government promises their children protection. Young Marco promises to look after his sisters in Mexico until their family can be reunited in Spain, but a harrowing journey ensues. As the growing children work to care for themselves and each other, they feel their sense of home, family, and identity slipping further and further away. As their memories of Spain fade, they begin to wonder if they will ever see their parents again or the glittering streets of the home they once loved. Based upon the true stories of the Children of Morelia, Mario Escobar's *Remember Me*--now available for the first time in English--paints a poignant portrait of an immigrant family's sacrificial love and endurance, detailing just how far we go for those we love. This captivating historical novel, perfect for book clubs, includes discussion questions, research notes from the author, and a historical timeline, providing a comprehensive reading experience. Luminous and beautifully researched, *Remember Me* is a study of displacement, belonging, compassion, and forged family amid a heart-wrenching escape from the atrocities of the Spanish Civil War. Fans of Arturo Pérez-Reverte, Chanel Cleeton, and Lisa Wingate will be mesmerized. --Rachel McMillan, author of *The London Restoration*

**tasting my own medicine: Leaving Footprints** Tonya Painter, 2012-02 A tantalizing web of seduction and adventure , a group of teenagers from the historic town of Lewisburg, West Virginia come face to face with their family's secrets, their friends' betrayal, and the truth about their own hometown. Someone, or something, has targeted Rachel, the youthful , spunky, new kid . A loner by nature, she is found unconscious, in an abandoned farmhouse. One of her rescuers, Cole, takes interest in his newly found treasure. Trying to understand why she would be at one of the most haunted sites in Lewisburg, her new friends are compelled to let her in on a few secrets of their own. Nate, the third aspect of the triangle, throws sparks of his own compelling her to choose between the paths that lie before her. Only one will lead to the truth. Lewisburg is more than just the Coolest Small Town in America , it is also a network of underground tunnels , a hub for conspiracy and years of family lies, and a resting place for souls trying to find their way.
