Swift's gift as a songwriter is not merely sentimentality and circumstance - and this book takes a deep look at her 10 albums to isolate what makes her a beloved lyricist for millions. Many have made the argument that Swift is a gifted lyricist - in online forums and YouTube comments - but this is the first time in writing those arguments have been given shape and serious attention. taylor swift lyrics about confidence: Love God, Love Yourself Faith Bolde, 2025-02-04

Through my own personal struggles, I had been writing verses on sticky notes adhering them to my bathroom mirror to look at each day. One day I was reading one and I thought, why don't I just write my own devotional? I started with those verses and created a journal entry that related to each one. The process became therapeutic while I was still dealing with my own insecurities. A wide variety of topics are shared about my experiences with skin issues, body image, comparison, security in relationships, friendships, and trying to control everything when all I could truly do was surrender all those things to God. I am certainly not perfect, and I am not a pastor or seminary student, but I felt the Holy Spirit leading me to author this book. I pray that these verses and journal writings are not only a reminder to me, but to the reader as well.
