why the hell are you here teacher stream: *Mercy of a Rude Stream: The Complete Novels* Henry Roth, 2014-07-28 This landmark of the American literary century (Boston Globe) is finally published as one volume, appearing with a brilliant new introduction. Sixty years after the publication of his great modernist masterpiece, *Call It Sleep*, Henry Roth, a retired waterfowl farmer already in his late eighties, shocked the literary world with the announcement that he had written a second novel. It was called, he reported, *Mercy of a Rude Stream*, the title inspired by Shakespeare,

and it followed the travails of one Ira Stigman, whose family had just moved to New York's Jewish Harlem in that ominous summer of 1914. It is like hearing that...J. D. Salinger is preparing a sequel to *The Catcher in the Rye*, the New York Times Book Review pronounced, while Vanity Fair extolled Roth's new work as the literary comeback of the century. Even more astonishing was that Roth had not just written a second novel but a total of four chronologically linked works, all part of *Mercy of a Rude Stream*. Dying in 1995 at the age of eighty-nine, Roth would not live to see the final two volumes of this tetralogy published, yet the reappearance of *Mercy of a Rude Stream*, a fulfillment of Roth's wish that these installments appear as one complete volume, allows for a twenty-first-century public to reappraise this late-in-life masterpiece, just as *Call it Sleep* was rediscovered by a new generation in 1964. As the story unfolds, we follow the turbulent odyssey of Ira, along with his extended Jewish family, friends, and lovers, from the outbreak of World War I through his fateful decision to move into the Greenwich Village apartment of his muse and older lover, the seductive but ultimately tragic NYU professor Edith Welles. Set in both the fractured world of Jewish Harlem and the bohemian maelstrom of the Village, *Mercy of a Rude Stream* echoes Nabokov in its portrayal of sexual deviance, and offers a harrowing and relentless family drama amid a grand panorama of New York City in the 1910s and Roaring 20s. Yet in spite of a plot that is fraught with depictions of menace, violence, and intense self-loathing, *Mercy of a Rude Stream* also contains a cathartic, even redemptive, overlay as provocative as anything in the chapters of *St. Augustine* (Los Angeles Times), in which an elder Ira, haunted by the sins of his youth, communes with his computer, Ecclesias, as he recalls how his family's traditional piety became corrupted by the inexorable forces of modernity. As Ira finally decides to get the hell out of Harlem, his Proustian act of recollection frees him from the ravages of old age, and suddenly he is in his prime again, the entire telling of *Mercy* his final pronouncement. *Mercy of a Rude Stream* is that rare work of fiction that creates, through its style and narration, a new form of art. Indeed, the two juxtaposed voices—one of the little boys swimming in a sea of glory, the other of one of those same boys in old age being rudely swept to sea—creates a counterpoint, jarring yet oddly harmonious, that makes this prophetic American work such an lasting statement on the frailties of memory and the essence of human consciousness. *Mercy of a Rude Stream: The Complete Novels* includes *A Star Shines Over Mt. Morris Park*, *A Diving Rock on the Hudson*, *From Bondage*, and *Requiem for Harlem*.

why the hell are you here teacher stream: *Broken Circle* J.L. Powers, M.A. Powers, 2017-10-03 For young Adam Jones, inheriting the family business is more than a rotten hand. It's downright skeletal. "The Powerses' worldbuilding and writing will keep [readers] hooked. They will find themselves questioning what is fact and what is fiction and cheering Adam on as he journeys in this new, strange world. A gripping, philosophical paranormal thriller." —Kirkus Reviews Adam wants nothing more than to be a "normal" teen, but his reality is quickly leaking normal. Afraid to sleep because of the monster that stalks his dreams, Adam's breakdown at school in front of his crush Sarah lands him in the hospital. As he struggles to cope with his day-to-day life, Adam can only vaguely comprehend some sort of future. His mother died when he was only four and his eccentric father—who might be an assassin, a voodoo god, the reincarnation of the Buddha, or something even stranger—is never available when Adam really needs him. Even his paranoid grandfather, who insists that people are "out to kill the entire family," is no help. Adam's life takes an even weirder turn when a fat man with a gold tooth and a medallion confronts his father regarding Adam's supposed "True Destiny." Adam is soon headed toward a collision with life, death, and the entities charged with shepherding souls of the newly dead, all competing to control lucrative territories where some nightmares are real and psychopomps of ancient legends walk the streets of North America.

why the hell are you here teacher stream: In Due Season Christine van der Mark, 2016-05-28 First published in 1947, *In Due Season* broke new ground with its fictional representation of women and of Indigenous people. Set during the dustbowl 1930s, this tersely narrated prize-winning novel follows Lina Ashley, a determined solo female homesteader who takes her family from drought-ridden southern Alberta to a new life in the Peace River region. Here her

daughter Poppy grows up in a community characterized by harmonious interactions between the local Métis and newly arrived European settlers. Still, there is tension between mother and daughter when Poppy becomes involved with a Métis lover. This novel expands the patriarchal canon of Canadian prairie fiction by depicting the agency of a successful female settler and, as noted by Dorothy Livesay, was “one of the first, if not the first Canadian novel wherein the plight of the Native Indian and the Métis is honestly and painfully recorded.” The afterword by Carole Gerson and Janice Dowson provides substantial information about author Christine van der Mark and situates her under-acknowledged book within the contexts of Canadian social, literary, and publishing history.

why the hell are you here teacher stream: Deborah, Awake Rod Mills, 2011-09-29 Based on the biblical story of Judge Deborah, *Deborah Awake* is the account of a young Burger King manager, who was also a divorced mother of two, and how this unlikely woman brought down the billion dollar corporation, Chariots, inc. In her role as a teen Sunday school teacher at the behemoth 10,000 member Kedish Community Church, Deborah was alarmed at the unhealthy identification her students nurtured with the Chariots line of immodest apparel, their chain of 900 Chariot mall outlets coast to coast, and her Christian student's fascination with the immoral Chariots The Magazine. To Deborah's astonishment, she learned that John Sisera, the manager of the local Chariots store, not only contributed heavily to the Kedish Community Church youth department, was good friends with Pastor Randy the youth minister, and that John Sisera was also a prominent member of the Kedish Community Church council. Senior Pastor Barrak was unaware of the vile philosophy of the Chariots corporation, and of John Sisera's heavy influence on Pastor Randy and the youth department. The Sisera's, in Barak's opinion, were a fine Kedish Community Church family, and was unconcerned with the moral storm brewing in the youth department. God called on Deborah to do something about it, and to recruit Pastor Barak in the Battle.

why the hell are you here teacher stream: First Make Mad Daniel Fitzpatrick, 2024-11-15 First Make Mad is a day's journey into the soul of Roman Moran. A father and a fisherman, a writer and a grocery store clerk, a sinner and a mystic, Roman makes his way through a single Ash Wednesday in the curious town of Hot Springs, Arkansas. There the ghosts of gangsters and Native Americans whisper on the mist-wreathed mountainsides, and the dead of Roman's own family form a chorus such as Odysseus might have heard as he coursed over the Mediterranean Sea. The odyssey of the Moran family, though here told only in brief, is replete with its own cast of monsters and maidens, prophecies and visions, and descends into the realm of the dead. In the end, it confronts the mystery of the ways of men and women, of the return home and the renewed ascent of the marriage bed in the face of a world shot through with grace but subject still to the power of death.
