wildside rehabilitation education center: Kelly of Hazel Ridge Robbyn Smith van Frankenhuyzen, 2013-08-15 As a young girl growing up on Hazel Ridge Farm, Kelly is aware of how special the place she calls home is. Committed to maintaining a natural wilderness, Kelly's parents have created a wildlife sanctuary where both the land and its animal residents can be nurtured.Kelly of Hazel Ridge is the third title in the Hazel Ridge Farm series (Saving Samantha and Adopted by an Owl) by husband-and-wife team Gijsbert and Robbyn Smith van Frankenhuyzen, and is inspired by their life on their 40-acre farm located in Bath, Michigan. For over 20 years, Robbyn and Gijsbert (also known as Nick) have nurtured the land back to health and raised and released injured and orphaned animals. Nick has illustrated over 20 books for Sleeping Bear Press, including The Legend of Sleeping Bear, The Legend of the Petoskey Stone (#1 Midwest bestseller), and Texas Bluebonnet runner-up Mercedes and the Chocolate Pilot.
