

william lynch speech

william lynch speech is a term often associated with a controversial and widely debated historical narrative concerning the control and manipulation of enslaved African Americans during the colonial period in the United States. The speech, purportedly delivered by a slave owner named William Lynch in the early 18th century, is said to reveal a methodical strategy to maintain power and suppress rebellion among enslaved people by fostering division and mistrust within the community. However, the authenticity and existence of the William Lynch speech have been heavily questioned by historians and scholars. This article will explore the origins, content, and controversies surrounding the william lynch speech, its impact on modern discourse regarding race relations, and the broader implications of this narrative in American history.

- Origins and Historical Context of the William Lynch Speech
- Content and Themes of the William Lynch Speech
- Authenticity and Controversies Surrounding the Speech
- Impact on Modern Discussions of Race and Social Control
- Broader Implications in American History and Culture

Origins and Historical Context of the William Lynch Speech

The william lynch speech is often cited as a document from the early 1700s, allegedly delivered by a Virginia slave owner named William Lynch. According to popular accounts, Lynch outlined a strategy

for controlling enslaved Africans by turning them against each other through psychological manipulation and social division. The speech supposedly serves as a blueprint for the systemic oppression that maintained slavery and racial hierarchy in colonial America.

Historically, the early 18th century was a time when slavery was becoming deeply entrenched in the American colonies, particularly in the Southern states. Slave owners sought methods to prevent uprisings and maintain economic dominance by controlling the enslaved population. The context of the William Lynch speech fits within this period's efforts to institutionalize racial control.

Historical Background of Slavery in Colonial America

During the 1700s, the transatlantic slave trade brought millions of Africans to the Americas, where they were forced into labor on plantations. Slave owners developed various methods to suppress resistance, including legal codes, physical punishment, and psychological tactics. The William Lynch speech is often presented as an example of the latter, proposing an early form of divide-and-conquer strategy.

Who Was William Lynch?

Despite the speech's notoriety, there is limited historical evidence confirming the existence of William Lynch as the speech's author or even as a real historical figure. The name "William Lynch" may be symbolic or fictional, representing broader patterns of control rather than a specific individual.

Content and Themes of the William Lynch Speech

The William Lynch speech outlines a purported strategy to control enslaved Africans by exploiting

internal divisions. The speech emphasizes the use of psychological manipulation to prevent unity among enslaved people, thereby ensuring they remain powerless against their oppressors.

Key themes in the speech include the encouragement of mistrust, fostering jealousy, and promoting conflict among enslaved individuals based on differences such as age, skin color, and origin. This strategy is described as a way to maintain order and discourage rebellion.

Divide and Conquer Strategy

The central tactic described in the William Lynch speech is “divide and conquer.” By creating suspicion and animosity within the enslaved community, slave owners could effectively weaken any potential collective resistance. This approach involves:

- Separating enslaved people by age and gender
- Encouraging competition for favors or privileges
- Exploiting cultural and linguistic differences
- Fostering mistrust between newly arrived and established slaves

Psychological Control and Fear

The speech also highlights the importance of psychological control through fear, punishment, and reward. By instilling fear and using incentivization tactics, slave owners sought to maintain dominance without constant physical enforcement.

Authenticity and Controversies Surrounding the Speech

One of the most significant aspects of the William Lynch speech is the ongoing debate about its authenticity. Many scholars argue that the speech is a modern fabrication or hoax rather than a genuine historical document. The earliest references to the speech appear in the late 20th century, raising questions about its origin.

Evidence Against the Speech's Authenticity

Historians have pointed out several inconsistencies and lack of verifiable sources regarding the William Lynch speech. Key points include:

- No archival evidence of the speech or William Lynch as described
- Language and references inconsistent with the early 1700s
- Absence of the speech in historical records or primary documents
- Similarity to other modern speeches or writings on racial division

Why the Speech Gains Popularity

Despite doubts about its authenticity, the William Lynch speech has gained traction in popular culture and discussions about systemic racism. It is often used as a metaphor for the tactics of social control and division against marginalized groups, which resonates with contemporary issues.

Impact on Modern Discussions of Race and Social Control

The William Lynch speech, whether authentic or not, has influenced modern conversations about race, social control, and the legacy of slavery in the United States. It symbolizes the intentional use of division as a tool to maintain oppressive power structures.

Use in Education and Activism

Activists and educators sometimes reference the William Lynch speech to illustrate how systemic racism is perpetuated through psychological and social manipulation. The speech serves as a cautionary tale about the dangers of internalized oppression and the importance of unity in the struggle for equality.

Criticism of the Speech's Usage

Critics argue that relying on a potentially fabricated document risks oversimplifying complex historical realities and can detract from evidence-based discussions on racism and oppression. The speech's ambiguous origin calls for cautious interpretation and contextual understanding.

Broader Implications in American History and Culture

The narrative of the William Lynch speech reflects broader themes in American history related to slavery, racial division, and the mechanisms of control used by dominant groups. Whether fact or fiction, it highlights enduring questions about power, resistance, and the social dynamics that continue to shape race relations.

Legacy of Psychological Manipulation in Oppression

The strategies attributed to the William Lynch speech align with documented historical tactics used to sustain slavery and segregation. These include:

1. Legal restrictions and codes designed to limit enslaved people's freedom
2. Encouraging divisiveness to prevent unified resistance
3. Using propaganda and misinformation to control perceptions
4. Institutionalizing racial hierarchies through social norms and policies

Reflection in Contemporary Society

Many scholars and social commentators draw parallels between the themes in the William Lynch speech and ongoing challenges related to racial inequality, systemic discrimination, and social fragmentation. The speech's message serves as a reminder of the long-lasting effects of division as a method of control.

Frequently Asked Questions

What is the William Lynch speech?

The William Lynch speech is a purported historical speech that allegedly outlines methods of controlling enslaved Africans in America through psychological manipulation. However, its authenticity

is widely disputed and considered a hoax by many historians.

Is the William Lynch speech real or a hoax?

The William Lynch speech is generally regarded as a hoax. There is no credible historical evidence that William Lynch ever gave such a speech, and it likely originated in the late 20th century as a piece of fictional rhetoric.

Why is the William Lynch speech significant in discussions about race?

The speech is often cited in discussions about systemic racism and social control, as it supposedly reveals tactics used to divide and control African American communities. Despite being a hoax, it has influenced conversations about internalized oppression and social manipulation.

Who was William Lynch historically?

William Lynch was a real person, a slave owner in Virginia during the early 18th century, but there is no verified record of him delivering the infamous speech. The speech attributed to him is considered a fabrication.

How did the William Lynch speech become popular?

The speech gained popularity through circulation on the internet and in African American cultural discussions, often being quoted or referenced in books, music, and speeches to highlight the legacy of slavery and psychological control despite its dubious authenticity.

Additional Resources

1. *The Myth of the William Lynch Speech: Unraveling Historical Truths*

This book delves into the origins and authenticity of the so-called William Lynch speech, widely circulated in discussions about slavery and control. It explores historical records to determine whether the speech was ever delivered or fabricated. Through meticulous research, the author separates fact

from fiction, providing readers with a clearer understanding of this controversial topic.

2. *Slavery, Control, and the Power of Narrative: The William Lynch Speech Explored*

Examining the broader context of slavery in America, this work discusses how narratives like the William Lynch speech influence modern perceptions of racial control and oppression. The book investigates how stories, true or false, can shape cultural identities and political discourse. It also highlights the impact of such narratives on community empowerment and historical memory.

3. *Breaking Chains: The Real History Behind Slave Control Tactics*

This title offers an in-depth analysis of the methods used by slaveholders to maintain control over enslaved people. While referencing the William Lynch speech as a popular but disputed example, the book provides documented strategies and resistance tactics. It aims to educate readers on the complexities of slavery beyond myths and legends.

4. *Voices from the Past: Debunking the William Lynch Speech*

Focusing on primary sources, this book presents letters, diaries, and testimonies from the era of American slavery. The author challenges the authenticity of the William Lynch speech and explains how misinformation can alter historical understanding. It also discusses the importance of critical evaluation of sources in historical scholarship.

5. *The Psychology of Control: Lessons from Slavery and the William Lynch Speech*

This book explores psychological theories related to control, manipulation, and power dynamics in oppressive systems. Using the William Lynch speech as a case study, it examines how fear and division were allegedly used to suppress enslaved populations. The text connects historical tactics to modern-day social control mechanisms.

6. *Fabricated Freedom: The Controversy Surrounding William Lynch*

Investigating the debate over William Lynch's existence and the speech attributed to him, this book highlights the role of myth-making in African American history. It discusses how fabricated narratives can sometimes serve as tools for empowerment or division. The author encourages readers to question sources and understand the motives behind historical storytelling.

7. Resistance and Resilience: African American Struggles Beyond the William Lynch Speech

This work shifts focus from the speech itself to the broader stories of resistance among enslaved people. It showcases acts of defiance, community-building, and cultural preservation that challenged the control mechanisms purportedly described in the William Lynch speech. The book inspires readers by celebrating resilience in the face of oppression.

8. Controlling the Narrative: Slavery, Media, and the William Lynch Speech

Analyzing how media and popular culture have propagated the William Lynch speech, this title explores the role of storytelling in shaping public opinion about slavery. It critiques the ways in which misinformation can be spread through books, speeches, and the internet. The author offers strategies for critical media consumption and historical literacy.

9. History or Hoax? Investigating the William Lynch Speech

This investigative book compiles scholarly research, interviews, and forensic analysis to answer the question of whether the William Lynch speech is historical fact or modern fabrication. It provides readers with a balanced view of the evidence and implications of accepting or rejecting the speech's authenticity. The book serves as a valuable resource for students, educators, and history enthusiasts alike.

william lynch speech: The Willie Lynch Letter and the Making of a Slave Willie Lynch, Willie Lynch, a British slave owner from the West Indies, stepped onto the shores of colonial Virginia in 1712, bearing secrets that would shape the fate of generations to come. Within this manuscript, allegedly transcribed from Lynch's speech to American slaveholders on the banks of the James River, lies a blueprint for subjugation. Lynch's genius lay not in brute force but in psychological warfare. He understood that to break a people, one must first break their spirit. His methods—pitiless and cunning—sowed seeds of distrust, pitting slave against slave, exploiting vulnerabilities, and perpetuating a cycle of suffering. This document sheds light on the brutal realities of slavery and the ways in which its legacy continues to shape contemporary society.

william lynch speech: *The Willie Lynch Letter* Willie Lynch, 2020-10-02 The Willie Lynch speech is an address purportedly delivered by a certain William Lynch (or Willie Lynch) to an audience on the bank of the James River in Virginia in 1712 regarding control of slaves within the colony. The Making of a Slave is attributed to F. Douglass. Historian Lattoya C. Williams shows why she thinks both are hoaxes indicating diverse elements to support her claim.

william lynch speech: *The Willie Lynch Letter and the Making of a Slave* William Lynch, Ida B. Wells-Barnett, 2021 This historic work contains two books in one. The first is The Willie Lynch Letter: The Making of a Slave, from a speech delivered by Willie Lynch on the bank of the James River in the colony of Virginia in 1712. Lynch, a British slave owner in the West Indies, was invited to Virginia to teach his methods of molding a slave to plantation owners. This work shows the gruesome and harsh way slave owners adopted in breaking Black people physically and more importantly psychologically and emotionally. The second book, Southern Horrors: Lynch Law in all its Phases, is a pamphlet published by journalist Ida B. Wells in 1892. Wells was one of the founders of the NAACP and spent her lifetime combating prejudice and violence committed against African-Americans. In this pamphlet, she exposes the barbaric practice of whites in the south, many acts similar to what is outlined in the Willie Lynch letters. These two works compliment each other perfectly to show the inhumane cruelty of chattel slavery in America. --back.

william lynch speech: *The Willie Lynch Letter and the Making of a Slave* William Lynch, 2012

william lynch speech: *The Willie Lynch Letter* William Lynch, 2011-06 The Willie Lynch letter purports to be a verbatim account of a short speech given by a slave owner, in which he tells other slave masters that he has discovered the secret to controlling black slaves by setting them against one another. The document has been in print since at least 1970, but first gained widespread notice in the 1990s, when it appeared on the Internet. Since then, it has often been promoted as an authentic account of slavery during the 18th century, though its inaccuracies and anachronisms have led historians to conclude that it is a hoax.

william lynch speech: *The Making of a Slave* Willie Lynch, 2020-07-08 This speech was delivered by Willie Lynch on the bank of the James River in the colony of Virginia in 1712--P. [7].

william lynch speech: *The Willie Lynch Letter* , 1999 Describes the African slave trade from the viewpoint of the Southern plantation owners.

william lynch speech: *Conspiracy Theories and Secret Societies For Dummies*

Christopher Hodapp, Alice Von Kannon, 2011-02-04 Entering the world of conspiracy theories and secret societies is like stepping into a distant, parallel universe where the laws of physics have completely changed: black means white, up is down, and if you want to understand what's really going on, you need a good reference book. That's where Conspiracy Theories & Secret Societies For Dummies comes in. Whether you're a skeptic or a true believer, this fascinating guide, packed with the latest information, walks you through some of the most infamous conspiracy theories — such as Area 51 and the assassination of JFK — and introduces you to such mysterious organizations as the Freemasons, the Ninjas, the Mafia, and Rosicrucians. This behind-the-curtain guide helps you separate fact from fiction and helps you the global impact of these mysterious events and groups on our modern world. Discover how to: Test a conspiracy theory Spot a sinister secret society Assess the Internet's role in fueling conspiracy theories Explore world domination schemes Evaluate 9/11 conspiracy theories Figure out who "they" are Grasp the model on which conspiracy theories are built Figure out whether what "everybody knows" is true Distinguish on assassination brotherhood from another Understand why there's no such thing as a "lone assassin" Why do hot dogs come in packages of ten, while buns come in eight-packs? Everybody knows its a conspiracy, right? Find out in Conspiracy Theories & Secret Societies For Dummies.

william lynch speech: " *Reversing the Willie*" Elbert Hopkins, 2016-09-15 Reversing the Willie has been part of my life. Hopefully, after you read it, it will become part of your life. It was written to bring people together in understanding and to increase the quality of life; even though there are

different nationalities and different mind-sets, we are one people and that should be a people of God. Everyone and everything is equal in God's eyes. He is not a respecter of persons. We ought to come together, helping one another in all aspects of life, instead of making it a competition to see who is better. And this competition has caused the beginning of envy and jealousy in the world. We need to get along, it has become a constant fight for control and power. There is only one controlling force. That controlling force is God. Seek God for direction; for his master plan.

william lynch speech: Family Dysfunctionalism and the Origin of Codependency Addiction Emotional Violence, Repression, Manipulation, Deception, Alienation, Self-Degeneration, and Separation-Learned in Childhood and Weaved-In Adulthood Marteaux X Ph.D., 2020-04-23
CODEPENDENCY BOOK BACKCOVER The Milky Way Galaxy, and everything therein, consisting of suns, moons, planets, asteroids, gases, energy, black holes, and particles of dust among others are-ALL-infinitely connected to each other by gravity, which holds everything together. Likewise, CoDependency Addiction, similar to the Earth revolving around our Sun, it-too-revolves around the absence of mother, father, or mother surrogate love in a child's life and beyond. It is the primary source from which it originates, develops, and thrives within the mind-body of an affected human being. Mother, father, and mother surrogate love is the fuel that drives the development of an infant through the dependency state one is born in into the higher conscious awareness interdependency state. Initially, mother or mother surrogate love is used to assist their infant to self-actualize, namely to learn he or she is love by being loved by their parents. If this most critical step is missed, at a most critical time in the early development of an infant, from birth to six years old; unfortunately, the latter does not evolve emotionally to the interdependency state, in which the child, by this time, knows one Self as being love, and who realizes simultaneously that it is necessary to give their love to another human being, and by doing so, one is enabled to learn and experience what it feels like to be loved. When this irreplaceable process is carried-out according to Nature, the child is embodied with the fundamental tool to transform Self progressively into a "work of art." One of the many contributions this book makes to our understanding of CoDependency Addiction is, when a child does not evolve emotionally into the interdependency state, he or she remains in a dependency state beyond appropriate years. By six years old, a child, who has been adequately nurtured with love from the outset, develops in their brain what is called "love circuits." In the absence of mother or mother surrogate love during this crucial time, these circuits-empathy, kindness, caring, altruism, friendship, compassion, etc.-are replaced with others such as anger, shame, denial, guilt, low self-esteem, not good enough, unworthiness, narcissisms, ego etc. It is in this developmental space we find the origin of CoDependency Addiction manifested in an affected person's adult life. Unable to make genuine friends and be loved, both of which are cornerstones of the interdependency state, fear and self-preservation emerge as a daily preoccupation and concern. This book outlines in detail how CoDependency Addiction is repressed within one's injured and wounded "self," and because of denial and projection, a web of deception is employed to "Go Along, To Get Along." Although the hypnotic rhythm makes healing more formidable as the years pass, the solution is determination to shatter denial. Marteau X received his Doctor of Philosophy Degree from the University of Colorado, Boulder in 1977. He has spent 40 years studying social philosophy and dialectical materialism, including alienation and Psychology. He lives with his family in Baltimore, MD.

william lynch speech: *Willie Lynchism* Karla Edward, 2014-01-17 In 1998, I discovered a lesson I was never taught in school. It opened my eyes to the origin of the pain, dysfunction and devastation of a people who have been manipulated, bamboozled, deceived, denigrated, disparaged, maligned and premeditatedly victimized for centuries in America...for PROFIT. It was a poignant Aha! moment for me. I finally understood the angst and cognitive dissonance I felt for years, as a Black woman growing up in the cradle of Civil War America---Petersburg, VA. My spirit wouldn't let me rest until I had discovered Willie Lynchism. Virginia is where much of U. S. History began and where the most redoubtable of all U. S. wars ended. Locations around Virginia endured battles and events that have shaped its modern day tourism and house painful memories of the formidable war that took place on U. S. soil between fellow Americans--The Civil War. It thankfully, but according to

some revisionists, coincidentally, ended American Slavery. Revisionism aside, Willie Lynchism and the Lets Make a Slave plan, must be added to the National U. S. History Content Standards, if America is going to correct its faulty, racist ideologies.

william lynch speech: Urban Legends Dr. Eric M. Wallace, 2025-08-11 *Urban Legends: Exposing the Myths, Tales, Half-Truths, and Lies Propagated by Liberal Progressives About The GOP and Conservatives* is a thought-provoking collection of articles written over a decade. The book confronts the pervasive narratives used to discredit conservatives, particularly Black conservatives, by unpacking myths, exposing half-truths, and challenging outright lies. With insights into key cultural debates—such as Critical Race Theory, DEI, cultural Marxism, and the attacks on Judeo-Christian values—this book offers a bold defense of faith, family, and freedom. Grounded in a biblical worldview, *Urban Legends* equips readers to navigate the ideological battlefield and stand firm against the moral and cultural decay infiltrating our nation. Perfect for those seeking clarity, truth, and a guide to countering progressive distortions, this book inspires action and hope for those committed to advancing the Kingdom of God.

william lynch speech: Bill Cosby Is Right: But What Should The Church Be Doing About It? Merisa Parson Davis, 2010 Merisa Davis & Family Merisa Parson Davis is Dr. Bill Cosby's cousin. She is a Magna Cum Laude graduate of Liberty Baptist Theological Seminary, where she earned her Master's degree in Theological Studies. She attends First Redeemer Church in Cumming, Georgia, pastored by Dr. Richard Lee. There, she serves as a Bible teacher, youth worker, and women's conference speaker. She earned her undergraduate degree at Liberty University in Lynchburg, Virginia. (Founded by the late Dr. Jerry Falwell) There, she studied television, journalism, and Christian counseling. She is a former news reporter for WVIR-TV NBC-29, in her hometown of Charlottesville, Virginia. Merisa has worked in youth ministry since 1998. Currently, she is helping create Liberty University's new Black Worship Studies Program, scheduled to begin classes in fall of 2010. She has been married for 15 years to Marc Davis, who is the owner of the Davis State Farm Insurance Agency, in Stone Mountain, Georgia. She is the proud mother of Charissa Joy and Marc Isaac. She plans to pursue her Ph.D in the near future. For several years now I have had the joy to see, firsthand, how God is using Merisa Davis to bring a message of inspiration to others. Her book, *Bill Cosby Is Right* is a prescription for those who are seeking to move to a higher place in their work, their lives, and their faith. Dr. Richard Lee, General Editor, *The American Patriot's Bible*, Founding Pastor, First Redeemer Church I have had the opportunity of reading a portion of Merisa's book, *Bill Cosby Is Right*. To say the least, it is the best that I have ever seen on the subject. My advice-secure a copy and be both informed and inspired Dr. Harold L. Willmington, author, *Willmington's Guide to the Bible*, Dean, Willmington School of the Bible, Liberty University

De Fontaine, Henry Box Brown, John Dixon Long, Harriet Jacobs, Jacob D. Green, Thomas S. Gaines, Willie Lynch, Margaretta Matilda Odell, Joseph Mountain, 2022-11-13 The Most Influential Memoirs Of Former Slaves offers a profound exploration into the lives and experiences of those who

bore the cruelty of slavery and emerged with voices that have transcended time. This anthology brings together a vast array of literary styles, including personal narratives, reflective essays, and poignant speeches, highlighting the resilience and resistance of former slaves. Central to the collection are themes of freedom, dignity, identity, and resistance, woven through the diverse experiences of its contributors. Each memoir serves not only as a testimony to the past but as a powerful literary work that has shaped our understanding of humanity's capacity for both cruelty and compassion. Through the voices of iconic figures such as Frederick Douglass, Harriet Jacobs, and Booker T. Washington, along with lesser-known yet equally compelling authors like Kate Drumgoold and F. G. De Fontaine, the anthology presents a collective history that spans the intersections of race, gender, and class. These authors reflect various historical and cultural movements, including abolitionism and the early civil rights movement, offering insights that enrich the discourse on societal transformation. The editors have meticulously curated these works to illustrate how individual narratives converge to form a tapestry of shared human experience. Readers are offered a rare opportunity to delve into a myriad of perspectives that challenge and enrich contemporary understandings of freedom and resilience. This anthology is essential for its educational value, presenting a dialogue between authors that spans generations and geographies. By journeying through these narratives, one gains not only historical insight but also an appreciation for the complexities and nuances of the human spirit in its fight for liberation. Whether a scholar, a student, or a general reader, this collection encourages a profound engagement with the enduring legacies of those who shaped history.

william lynch speech: *Never Forgotten, Never Could be* Thomas Clarkson, Daniel Drayton, Louis Hughes, Lydia Maria Child, Austin Steward, Ida B. Wells-Barnett, Moses Grandy, William Wells Brown, William Still, Nat Turner, Henry Bibb, Olaudah Equiano, Sojourner Truth, Mary Prince, Kate Drumgoold, Frederick Douglass, Brantz Mayer, Theodore Canot, Booker T. De Fontaine, Henry Box Brown, John Dixon Long, Harriet Jacobs, Jacob D. Green, Thomas S. Gaines, Willie Lynch, Margaretta Matilda Odell, Joseph Mountain, 2023-12-23 *Never Forgotten, Never Could be* is a profound exploration of the narratives that shaped the discourse around slavery and emancipation in the 18th and 19th centuries. The anthology weaves together a tapestry of literary styles ranging from harrowing autobiographical accounts to impassioned essays and innovative literary forms, each offering a unique perspective on themes of freedom, resilience, and human dignity. Its diverse array of works, including notable pieces that capture the indomitable spirit and tenacity of enslaved individuals, forms a compelling mosaic that speaks to the enduring impact of these narratives on both past and contemporary dialogues about race and justice. The anthology's contributors include some of the most powerful voices and pioneering figures in the fight against slavery, such as Frederick Douglass, Ida B. Wells-Barnett, and Sojourner Truth, among others. Each author brings their distinct background and experience to the collection, enriching it with a range of perspectives born from personal struggle and the broader abolitionist movement. This collective of voices underscores the anthology's resonance with cultural and historical movements of the time, providing a nuanced understanding of the complex socio-political landscapes that the abolitionist efforts navigated. Readers looking for an immersive and enlightening experience will find *Never Forgotten, Never Could be* an invaluable resource that offers a multitude of insights on important historical narratives. It invites readers to engage deeply with the lived experiences and sophisticated critiques embedded within each contribution. As an academic and emotional journey, it fosters a rich dialogue across its various accounts, illuminating the enduring significance of these stories in shaping present and future discussions about human rights and equality.

william lynch speech: *Afrikan Mind Reconnection & Spiritual Re-Awakening* Dr. Lumumba Umunna Ubani, 2011-01-17 The need for Afrikan mind regeneration and spiritual reawakening A people who have lost these two principal inner qualities of mind can hardly find their through selves in life. This book is an attempt to begin the processes of African self-rediscovery. The ending of

slavery and colonialism removed only our physical agony, but the trauma of long and extended torture left deep rooted anguish within the psyche of African race. The effects of this imprint legacy will continue until we start addressing these negative effects. In an effort to do this, the book has provided several suggestions. Some of the program are being provided at the Institute of Mind Talk Afrika.

william lynch speech: I Wouldn'T Have It Any Other Way Samuel Myers Sr., 2010-09-30
When it comes to the final analysis, all of us has a story to tell. The problem is that to tell it takes a lot of will and patience. And when you think about it, willingness and patience are not some things that a lot of people have. I titled this book I Wouldnt Have It Any Other Way. This title was not just chosen, there is a reason behind me coming up with this title. After reading this book, no doubt many are saying within yourselves, How in Gods world did he arrive at this title after having experienced all of the things that he has experienced? When I look at my parents, siblings, and those that have shared many of the same experiences that I have, I decided to use all of these things as a stepping-stone, not as a stumbling block. I viewed these occurrences through the eyes of God. When I did, I said that I would not have it any other way. All of the different things that I personally have been through have enabled me to draw closer to God. Having such an intimacy with God has caused me to get to places in Him that I never imagined. I am mindful of the passage of scripture that is found in Romans 8:28. This scripture says that, And we know that all things work together for the good to them that love God, to them who are the called according to his purpose. This being said, I feel that all things that were mentioned in the content of this book, both the good and not so good, have happened for my betterment. These are the things from my days of my infancy to this present time. With that being said, it was in the plan of God that I was born to Boston and Evelyn Myers. The things that they went through under the sharecropping system and the Jim Crow laws have helped me to value God and the things of God. The loss of my mother at an early age caused me to put my trust in God for my survival. The woodpile experience helped me to prepare for the establishment of a genuine relationship with God. Lastly, the union with Mary Elizabeth was not an accident. This most definitely was in the plan of God. My three sons that came out from this union was also in the plan of God. What can I say? I cannot say anything but that I Will Not Have It Any Other Way.
